Best reality story of all time. After all the horrific crimes against humanity, GOD finally decides to intervene as HE promised millenniums ago. Jesus shows up as a no-body, with zero assets and a few tattered clothes. He runs for President with zero fund budget against Satan who has \$1 Billion USD for campaigning. Who will win the election? For Satan can quickly dismiss Christ as an unknown wanna-be and HAVE-NOT who has no history at all and can't even afford a microphone or loud speaker, much less media. Satan positions himself as the Savior with the best marketing campaign media that raw cash can buy. Answer... Satan wins and destroys the world one relationship pitted against all others. BUT, BIGGEST BUTT ever. With Evote.ONE, within weeks, everyone sees Satans true demonic collared colors and vote him BACK to HELL so Jesus can replace him as the successor runner-up.

Has anyone/everyone finally understand WHO I AM? For I have never claimed to be J.C, to be GOD, or to have any manifest powers other than exactly why and what I have gifted all of mankind. This is HOW to overthrow and destroy all crime networks forever to UNIFY all of mankind. I have NEVER violated any man-made law except 4 speeding tickets and a few parking overstays. Yet I have been the most severely persecuted by ANTICHRISTS in recent world history, almost to the point of death at hands of USA Gov in Raleigh NC orchestrated by Rose, fired AG Sally Yates, Cobb County DA Berry Vic Reynolds, my very own family, each of my own lawyers, so many Judges that I ?might? have lost count, and a very long list of prosecutors, CID, police, IRS, FBI, USMarshals, AG, Military, corporate, and other criminal terrorist agents. I have databased them all.

Wed, May 24, 2017 Today I attend the Digital Transformation Summit 2017 at SM Aura with 300 participants, 30 Enderun students, and one Intl News Media (BidOnKeith.com) as US Press and worlds top anti-crime expert Evangelist Crusader. I speak with Ean of Accenture 35yr, Jacqui Binayan and Jeannie of Global Chamber Manila, and everyone I meet. All in full scale assault on HOW to solve all world problems, issues, conflicts, wars, and related demonic activities that are destroying GOD's world.

At 9:35 am, 30 min late start, Colin Christie, Executive Director, Global Chamber Manila is keynote speaker. I registered through meetup.com and sent email to Enderun Colleges (located McKinley Hills Venice complex). I remain beyond SHOCKED that few have seen or used what I have done to unify all mankind. The same applied to my Lord Jesus Christ and so many other fore-founders. They were ignored, ridiculed, put to death, and persecuted for serving GOD and all of humanity. Now speaks Reynaldo Lugtu, Head of Solutions Group Microsoft Philippines. Normally I would voice record, but I am low on memory. I pose to ask the question "What are the prime issues in getting state of the art technology, specifically Data Mining, in the the hands of government agencies'.

Panel group is: Karlo Panti Director of Global Production QuintilesIMS. Reynaldo Lugtu, JP Palpallatoc (man. Dir. accenture) , Drew Guttadore, Chief OpAdvis Peritus Knowledge Services, Ritesh Marwah (india) Dep GenMan Digital Transformation Consulting Concentrix.

The panel discussion centers on the wide range of diversity issues of user experiences, Network relationships, educational processes, Digital AI, and my prime goal: Scalable Transform Revolution. The

common excuse I hear from almost everyone is 'these things just take time' No one can expect exact results based on predictive analytics that are always flawed by too much complex and often inaccurate data.. This is what so many criminals divert attention from their own crime sprees saying 'These things just take time'. That indicts Cobb County GA DA Berry Vic Reynolds by his own emails summer 2011 and WHY I was forced into solitary confinement Sept 25 to Jan 5 2013 because I had finally contacted him and FBI Sept 23 by direct phone Butner NC Hell.

The discussion continues on the workforce productivity issues and the 'disruptive' issues that either streamline operations or derails al well planned strategies. Mixed Reality, voice recognition is discussed at 10:55am. Empowerment of employees is a common theme. yet seldom does anyone speak about empowerment of the producers, taxpayers, citizens, my people. This is because business is all about profiting at the slave traded expense of the consumers who also PRODUCE their own goods. Big Business and government criminally skim taxes and overhead expenses to produce criminal ruling elite. Pres Duterte just declared martial law in Mindinao that I would have taught HOW to destroy all civil uprisings years ago as political corruption and corp executive criminal greed directly causes all poverty.

The spiritual aspects of the primal "The Hive" principal are on the empowerment Mind Map on Yellow paper in Green and Red ink. They discuss real time productivity using eDevices while commuting. If driving, this causes major risk to everyone if they refuse to use what I created and published years ago.

Business leaders always want the value Return on Investments at any cost. Keith: seldom are the needs of the ProfitShareHolders.com = workers = employees recognized since efficiency doing ONLY the tasks they are told is the method used to brain wash cult our people to be slave traded producers = consumers with little respect of the rights to own their very own business and control manage all aspects of their very own lives. This is basis for TeamMoneyMachine.com and TeenPenny.com Summary is 'its not about profit, it's about people'.

11:30am JP Palpallatoc, Accenture shares **POINT 1. AI is the new UI.** Amazon Echo -Alexa. orchestration of automated intelligence. Interaction is fluid and anticipated by habit recognition and 'parroting'. The automation of daily functions was suppose to be the lifesavers of humanity when very little paper and bureaucracy was needed to maintain peace, harmony, and unification of all mankind. This was my original focus at N.C.S.U Aug 1976 to present. As top world expert in applied P.L.C (Programmable Logic Controllers) at mainframe, midrange, and microelectronics level, I have covered the breadth of the human conditions with these solutions that transform our entire world into the original paradise of Eden in record time, with almost zero delays.. For the naysayers are often the worst criminals who demonically claim they are in control of maintaining peace and order when in fact they are actively slave trading everyone they encounter with constrictive rules and orders as well as martial law and threats of terrorist attacks that are in fact, initiated by themselves.

JP speaks about employee productivity improvement using AI. Autonomous cars General Motors and LYFT. WholeFoods w/ InstaCart (grocery delivery). I am sharing the most powerful mind maps and basic AI applications with one of the Enderun students sitting in our side group. I briefly met Colin Christie Global Chamber Manila and Daniel Meyer who is Founder DMAIPH on data analytics Manila. Drew is also a key person I divinely met by my own efforts.

POINT TWO: Eco system Power Plays.

POINT THREE: Workforce market Place. WordPress shared collaborative tools. UpClose.

POINT FOUR : Design for Humans. The ultimate ergonomics is almost instant access to data and relationship re-management. This is URLiDent.com central open public database the creates one degree of separation between all 7.5 billion of my people regardless of their economic, spiritual, cultural level. Betterment is another tool. Virtual reality, Accenture uses google Cardboard for Golden State Warrior. Behavioral science is used to anticipate human needs to design a 'delightful' MATRIX (style-movie) experience.

POINT FIVE: 'The UnCharted' Keith: this is the final frontier of space of our universe. As the technology frontier was cognitively conjured and conquered years/decades ago. Telsa is the frontier electric car productivity tools. CVS Health and others are also testing custom designed drugs and therapy that target specific conditions with minimum interference and side affects. This is FixMedicines.com that was destroyed by criminals in fall 2011 that show how statistical data mining can quickly discover trend analysis criteria to eradicate almost all diseases and illness by identifying all contributing and curing factors.

Q & A from the audience talk about team-people efforts to educate people on HOW to disrupt the old uncorked methods that inhibit true relationship network rebuilding. This is know as the ultimate TRIBE building where everyone fearlessly protects the rights of all others.

Panel Discussion on **APEC PROJECT DARE (Data Analytics Raising Employment)** They speak about mismatch of Supply and Demand. This solved forever with dynamic just in time production and delivery of basic services and products using free Wi-Fi and eDevices to search for any resource and availability. Keith: this was part of my senior thesis @ N.C.S.U. involving **TurnOffLights.com** resulting in Smart Smoke Detectors and Smart Circuit Breakers patented summer of 2012 while I sat in HELL for 848 days. This cost me the most extreme hardship, pain, and suffering as I could never find any honest person to let me OUT of the worst series of cybercrime terrorism conspiracies in recent history. Details are: **theFinalTerrorist.com** **PCterror.com** **HostageForProfit.com** **kshama.me** (inactive) and original **wherelsRobertRose.com** and subsequent **ManHuntRose.com** that also change the course of all human history.

They discuss impact technology and complex IT architecture. Attract, Develop, ReTeam (new coined phrase from **BidOnKeith.com** world consulting leader.) They speak on the mass educational needs to create cooperative networks of like minded persons to accomplish the NEXT tasks of mankind. K: This is **UNITYurl.com** cross training where every community solves is own localized problems, therefore almost no government or taxes are needed. All world hostility ceases as GOD's resources are equally distributed to all who are honest integrity driven citizens of **URLiDent.com** this is the ultimate logistics delivery system that fearlessly protects the rights of all others.

keith: Few of the geniuses of our world are excelling in Computer Systems architecture because of the max distractions of capitalism and crime. Who exactly utilizes state of the art technology first? Always CRIMINALS as this was basis for original warfare, technology war, the internet, cybercrime terrorism, and the other crimes against humanity that are devastation to all. Our young adults are hungry for relationship networking as they are most social viral media concentric.

Leadership is influential ACTION as shown on Asian Youth Forum Feb 22, 2017 mind map. All of these solutions are the most disruptive required answers to reverse the criminal accumulation of ultimate wealth by returning GOD's resources back to my 7.5 Billion people in form of bid contracted purchase of raw building materials, construction labor costs to SMALL business **SolutionHousing.com** firms, and elimination of all poverty stricken cities. They close with the keyword FOCUS. for that is exactly what few people can do. No follow-up, no action, and no Press Conferences YET despite +40 years of variety of all broadcasting to show the true paths of righteousness that are tailored to the actual real needs of all humanity. She states LOOK for those who are PASSIONATE about innovation and serving OTHERS. These are the messianic messengers that I have been searching as partners since 1980s, actually my entire life. Few people truly know and act with authority on their own purpose in life. Close at 12:50pm for lunch. Tom is sending me \$40 by WU in next day since he found out his silver, gold, platinum are another scam investment MLM by criminals.

Restart 2 pm Session **Daniel Meyer**, then **Brenda A. Quismorio, PhD University of Asia & the Pacific**. Asean 5 countries share skills issues. Inability of ed institutions meet industry demands. Seriousness of youth unemployment, weakness in STEM and TVED ed. Lack of English Proficiency and other soft skills among workers, Over reliance on public sector to meet skills training, lack of comprehensive skills development roadmap to sport economic growth. Managing the match of needs. Outdated curriculum, no collaboration between ed and industry. inadequate instructions facilities. Poor quality of instructors who have no industry experience. Professor Beth from Enderun speaks with me.

Next is: **Karlo Panti QuintilesIMS**. I have bad angle to take any photographs of big screen. Technology Agnostic. Recommended 10 APEC DSA Competencies. domain knowledge, data management governance, operational analytics, data visualization presentation. missed rest of slide. Keith: The core competencies must total involve and encompass creative problem solving skills using the gifted talents of all. Philippine is at least 20 years behind in educational resources because of the abject poverty caused directly by massive Political Corruption and crime network families. Few can see the trillions of \$\$\$ drained from all economies by underground crime cabals, corrupt politicians, corp executives, and cybercrime terrorists who mine our private data. Prevented forever with the solutions broadcast to world.

karlo share best practice and innovations between education and industry. **info@aap.ph** Join AAP - Analytics Association of Philippines to finish the last frontier of the Technology revolution. Quote from William Gibson "The Future is already here, it's just not very evenly distributed".

Donald Lim. CEO Dentsu Aegis Network Phil. donald@LIM.com.ph slide Wheel of Disruption. Every business must be data concentric, mobile, and social enabled. Book "The Innovators' Dilemma". Too much emphasis on current client needs and not on the NEXT generation of innovative products and services. K: this is the cutting edge technology I pioneered starting 1976 before PCs became a required home-business commodity in mid 1980s.

Compare of USA smartphone from 2005 to present of 41% IOS, 51% Android now. Slide Collaborative Economy Honeycomb (the HIVE). Spotify music service breakout. Audience, Channel, Campaign, Talent, Mindset, Tools/analysis, technology, data analytics. The Freemium versus Premium Puzzle. Internet advertising outpaces all other media over last 5 years. example: 17 year old Bretman, top 10 media sensations living in Hawaii. he gets \$5,000USD for each advertisement internet posting. The CONTENT is the re-seller. data is useless by itself. It MUST be applied. the Holy Grail is application of data to meet needs of client. K: the true application is through 5 steps to solve any issue using **SolutionFinal.com** to benefit everyone involved. only exception is to NEVER benefit anyone with criminal intent.

Daniel Meyer -CEO DMAIPH decision making, analytics intelligence Phil. From California he works in Manila (big guy, glasses, bald, very high IQ). Data StoryTelling versus data visualization. Opening must captivate instantly because attention span of people is minuscule. K: Massive disruptors must compel action by observers. He designed campaign for **WellsFargo.com** for Fast Send cash to Philippines from Florida.

Data visualization software exposes patterns, trends, and correlations. This engages people's primal brain as pattern recognition is an original mindset created by GOD. Oh. Introduction of the spiritual realm has always been the first and last key to the foundational aspects of the life cycles of humanity. DRAPS. Direct relationships, attention, patterns, structure. fast bandwidth,

He uses INSIGHT. When the more powerful single word is Out-SIGHT. For the ability to see future trends by extreme forensic analysis and observations is normally know as prophecy, the ability to predict what will happen in the near short term future. This I have done in ordained and biblical data manners for well over 21 years now, since I was ordained 1996 as well as went on Walk to Emmaus #34? Charlotte NC 1990 St Stephens methodist church Rama Road area.. Daniel Meyer completes the Q&A session at 4:15 pm.

Mon. Tues May 22-23 where I spent at home broadcasting since I have ZERO pesos, ZERO replies, ZERO feedback, and ZERO REFORM UNIFICATION that occurs when everyone GOES PUBLIC.

Sunday, May 21, 2017 Back at **VictoryFort.com** GBC Manila Philippines to proclaim the GLORY of GOD in every way I can. Really hard to get the attention of anyone, including well over 300 church pastors, priests, and others religion leaders in my world wide travels for Christ, GOD, and the Holy Spirit - TRINITY.

Scripture 1 Cor 11:2-26 for Communion. Isaiah 54:9 re Noah's flood. Sr Pastor Christopher continues 'FORWARD series. He shows Anti-Distracted Driving Law on screen. I had **PhoneCradle.com** **lcStand.com** to prevent cell distractions by placing any cell on visor of any car above the line of sight, hands free of course. Their slide does NOT show visor mounted. they show cell mounted on dashboard below the radio. Shares on Facebook are mostly News. AJ+ and Daily Mail now 11 M views in Jan 2017. Chris asks how we value the GOSPEL of GOD's Best news. We are called to share the news of GOD. To be fishers of men. In Romans 1:16 "I am not ashamed of the Gospel".

Romans 1:9 Pauls longing to visit Rome. Keith went to JerUSAlem April 1-5 2015 (OverStay Hostel), then ROME 6-16 on world mission to change mankind's history. Chris. Why do Christians not share the Gospel. 1. Lack of Gospel Knowledge, 2. Prejudice 3. Fear (of rejection or ridicule / persecute) 4. Lack of compassion (simple do NOT care). Acts 10:1->44 Cornelius is the Roman officer Centurion. Joppa is Jaffa TelAviv where I went April 1 in the world broadcast photo/video series on **IseeJustice.com** and **IseeUnderstand.com** BBK201404*.pdf

Chris speaks about 'NOT ABOUT US'. Keith: The bible shows sometimes HIS people talking in tongues. This is now the automatic translation features of technology where anyone can understand each other to eliminate the original reason for the fall of the tower of Babylon (BABBLE). verse 28 '.. But God has shown me that I should not call anyone impure or unclean'. He hosted Victory weekend at a local women's prison. Many accepted the call to follow Christ.

Chris: 'God Works Ahead of Us'. I review URLiDent.com for grammatical errors and content. Chris shows AP of ONE 2 One that allows rapid sharing of the gospel.

I met Sr Pastor Chris AGAIN and describe in extremely brief terms WHY ChristDomain.com and eVOTE.one along with every other world class-saving Bible guided solutions are the ONLY answer. And AGAIN, ask for the required meetings with his pastor group as I TRULY can not continue doing this world chain changing solution broadcasts as the only one man show representing GOD's sovereign rights. I am OUT of my very own funds AGAIN, through no fault of my own. No insurance, recovery of penny of my own assets, no testimony from ANYONE including all these LIAR lawyers and high powered officials I have been contacting since Jan 15, 2008. Few if any honest persons have yet to be found and bound to Constitutional and Man-made laws.

So I return back to Taguig home to broadcast waiting for absolute minimum funding to come back to the one man of God. Looks like maybe my 34 year old friend Tom in Nevada will come through, after all this time. Everyone else claims they have bills to pay, no interest, no conversion concern at all for anyone else...

Friday, Sat May 20, 2017. Back at IFEX Asian Food Exposition as I show all the trillions of \$\$\$ value of **BidOnKeith.com** world leader consulting services. Integrity count: 11,339 today. **EVOTE.ONE** is the ONLY solution to rid our world of all crime networks. at 3 pm I attend the Livestock Forum with 75 persons at the World Trade Center Luna room. They discuss Poultry growing CCS3 financials. Armies travel on their stomachs as food and water is the basis for all civilizations. The Criminal Ruling elite trading monopolies have killed the ownership small business farmers in USA and around the world by loaning money for basic needs then foreclosing and buying out all productive land. Once wasted, they move to their next worldwide victims. this includes my client customer consumers who are forced to pay for basic food supplies at fixed prices that even governments have never been able to control through anti-trust regulations and laws.

He also shows SMFI Contract Hog farming automated grow houses. 1300 hog facility is 16M Peso investment. payback in 4 years. HtdimaunAhan@Gmail.com Presenter is Hermin Dimaunahan San Miguel Foods 0917-511-1076. Investor Relations Specialist.

Used for roofing, furniture, texture is like bamboo. Fiber known as yumot or cabonegro known as gomuti fibers. He states this one wonder plant/tree is under recognized and neglected. The sap creates a favorite drink TUBA with a sweet taste. This is also low glycemic brown sugar with a most wonderful taste. When boiled, it is hog feed. When distilled, alcohol. Each tree produces 2,500 liters of sap during its life. Per letter costs 10-30P. Vinegar in clay pots is 2-4 weeks in sun, liter is 25p.

Bio-Ethanol Production. By 2030, Dr. Willie Smits claims we can replace all worlds oil with Ethanol from the sugar palm. Of all the crops per hectare, 24,000 liters of sap per year is maximized by Sugar Palm. compared with Nipa is 10,000, Sugar Cane is 3,000, cassava about 1,000. Keith: my absolute (another) prime divined ordained gifted talent is application of technology to teach our world HOW to obtain the most efficient conservation practices that enable mankind to unify, prosper, and thrive beyond the ages of criminal misconduct that is currently destroying our entire world.

Friday I went specifically to visit Priest Vickie Egasseure? at Phil Ingelisia Independent Cathedral 1500 Taft Av and did 2 short merged videos on their world ministries. I also went to DOJ Supreme court Press Room, spoke with new Bar Graduates applying for Judge and Clerk positions about SolutionJudge.com that eliminates all corrupt liar-lawyer judges worldwide.

Yes, these are all the worlds first and last only world changing/saving solutions that address each and everyone of mankind's primitive and cultural economic social financial spiritual and governmental needs. This has never been accomplished in my GodFathers world since the dawn of man.

Thurs, May 18, 2017. Pure Financials. At Xirus.ph Accounting software all day presentation. John Edward Castillo at JohnEdWardc@xirus.ph 0917-315-9422 as I personally described how +10 million new small business owners here in Philippines will need QuickBooks + Training to use SolutionHousing.com to create their own new world society UNlocracy. TinyURL.com/xirusQBO This has always been the most deadly serious transfer of massive TRILLIONS of \$\$\$/USD/Euros of criminal wealth BACK to my 7.5 billion people. This is WHY the criminal ruling elite and AntiChrists will be destroyed by identifying their crime network connections.

My friend Randy believes Robert Dee Rose in Atlanta GA is in Federal Witness Program to testify against his mafia father named Alberto Rosi this coming June 27. Is this the same TERRORIST / Treason / Espionage, super criminal cybercrime mastermind who almost had USA Gov murder me back on Oct 3, 2011 - > Jan 28, 2014 to present violating almost every single Constitutional and man-made law. ROSE did this to destroy all traces of his HomeWaves.com AgileLaw.com S2SGreen.com Secure Inc, and +20 other RICO cabal crime enterprise cyber tracks after he already infiltrated almost all USA gov agencies and USA military. This applies to every other country also. He SOLD off my very own home, all my computers, all contents, cleaned out my bank accounts, then paid off each Police County Government agents and my very own Insurance companies and GA State Bar along with everyone else, to claim 'NO CRIME was committed' I have all the evidence accumulated at the point of each crime occurrence and ALREADY turned each crime spree evidence chain OVER to each of my many LIAR-LAWYERS, to FBI, IRS, AG, USMarshals, Military, PRESS, and public. No person can EVER deny my rights again or THOSE of my 7.5 billion people.

CEOSpace.net found at client3635.wix.com/SolutionManifesto shows how all new small business OWNER can quickly incorporate all proper aspects of legal, financial, supply chain,

As the worlds first top anti-crime expert consultant at all levels, I work fearlessly with authority granted Keith by GOD and those who are left to fearlessly protect the rights of all others. With a \$2 Million USD bounty on his head from IRSWBFeb2009, 658 nora.Beardsley@IRS.gov, no one can ever deny your rights to SEIZE other criminal assets using URLiDent.com and Evote.one

Wed, May 17, 2017. Back at @ECOP_PH, hashtag #NCE38 at 11 am for cutting edge practices towards just transition and greener business. Now topic 'Business sense and Gender Equality.' Moderator Ernie Cecilia. voice recorded at 11:54am. India based Ms. Miaw Tiang Tan is sr Specialist on Intl. Labour Organizations Asia. She speaks on women equality in business as the 'glass ceiling' has never been broken. India has 33% participation equality. Philippines has 0%. Atty Jose Manuel Diokno, Dean of De Salle Univ College of Law. U.N Rena Dona (india) works with Populations Fund. Empowering women and girls starts by eliminating all forms of violence. The benefits of gender equality links to company performance. Keith: This is TeamMoneyMachine.com + SolutionHousing.com new small business owner creation worldwide. When all communities and churches use UNITYurl.com to take care of all their local issues, then very little government is needed at all. No more taxes sent to a central authority who seldom if ever return benefits back to their taxpayer constituents.

at 12:18pm voice record, I ask key question of Ms. Tang about how to solve equality. She answers with my ProfitShareHolders.com that corporate executives MUST set the standards for equal rights. The company must change the mindset. Few senior executives are women anywhere in world.

At 3:40pm I ask the most critical question of all time. How to empower citizens to control and manage all their own leadership. I did not voice record this #1 historical moment. I clearly stated that ProfitShareHolders.com (Integrity count 236) is the **ONLY** answer to enable all workers and share holders to control profits and expenses including WHO are the management and the compensation levels of each other person. This is the exact opposite of MLM organizations as profiteering is now a criminal act identified by those who have a vetted and vested interest in the ongoing operations of any company or organization.

Low on battery as my IPAD is also. Sec of Dept of Labor Silvestre Bello III speaks now (on partial voiceRecord iPad 4:50 pm. Labor standards and enforcement is his topic. Solved by above world changing answer solution and WHY I am the top Peace Keeper mediator arbitrator Consultant of all time. Why waste words, I have stated since way back in 2010 era.. PC going to sleep now at 2%

Today at Tapatan sa The Aristocrate Restaurant 9 am Press Conference with Moderators Melo Acuna and Sky F. Ortigas (0998)5541893 on Metro Manila Infra and Traffic Woes. With Congressman Joselito Atienza Jr, who was previous Mayor of Manila. Dir Melvin Navarro is Regional Director of DPWH-NCR, with Lito Vergel De Dios former MMDA Traffic management director, Mr. Dennis Alcoreza is chief of Manila Traffic and Parking Bureau. Chairman Thomas Orbos (MMDA). VoiceRecording start 10:17am.

All these massive infrastructure issues and conflicts worldwide are SOLVED permanently with the only solutions to transfer massive trillions of \$\$\$ crime assets back to my 7.5 billion people to build new self reliant communities using [UNITYurl.com](#). No other proposed idea or solution has EVER worked.

Exactly WHEN will any of my people actual listen and ACT with AUTHORITY to destroy all crime networks and restore the resorts of Paradise of Heaven back here on my planet Earth? WHEN? For my ultimate frustration and even angry wrath is that few people live outside their own little self-contained, self-entitlement box of greed. There are indeed millions and even billions of Honest Integrity driven persons. But few have any authority to change the state of our world. The same was true of Jesus Christ and most of our fore-founding father/mothers. Despite speaking and acting with the ultimate authority of GOD, they were ridiculed and often put to death because their leadership teachings threatened the criminal ruling elite.

I hear this in almost every transaction relationship over the past most critical 40 years of this wilderness experience starting in fall of 1976. Dir Melvin Navarro resembles President Duterte. Everyone uses the words of Transparency, Accountability, Trackability, and even Integrity. Most is political talk used to get re-elected at huge expense to my people in time wasted in fund raising campaigns and subsequent self-profiteering signing contracts and bids that stuff the hippopotamus bellies of so many of these professional crooks. Why call them anything less. For there ARE honest integrity driven persons who actually SERVE and PROTECT our people. They are just so, so hard to find and support.

Funding and red tape bureaucracy conspiracies are contradictory in all ways and means. Direct Funding is the ONLY way to ensure taxes and local resources are directly used to build and maintain the infrastructures of any community. Foreign Investors are NEVER the answer since these mostly corrupt businessmen only invest to TAKE PROFIT over short and long terms. That is WHY the Criminal ruling Elite are intent on New World Order where they control all aspects of humanity. The 'professionals' do a fine job of TALK about how to change our world, yet few have any MOTIVATE to ACTION of our people. They assume they are the only ones with the control and command of the situation and do NOT want our people to have any direct control over their very own funds and resources. Is this not apparent worldwide? And WHY all these comprehensive solutions broadcast to our world are the ONLY step by step solutions to solve almost ALL of humanities direct needs and even 'wants'.

I asked the most critical question of all. I did not get this on voice recording. I stated the above. The TV camera captured this at 10:57am. Dennis or Lito responded with the most obvious solution. Our PEOPLE MUST elect responsible officials to represent our people. THAT I have stated with eVOTE.ONE that overturns all crime networks. My anti-crime methods are truly unbreakable and save our entire world from AntiChrist domination and self-genocide for reasons common sense stated below and above all this 100% truthful observations and solutions.

I can no longer pay to renew my [DropBox.com](#), renew 8 most critical websites, travel anywhere as I spent my last 100 pesos on parking and motorcycle gas today. I have 7.75 pesos left to my name, about 20 cents. I called my original lawyer Tom Chorey, Dr Tom Mcpeak, my son Kyle, very ex wife Sherry Duncan, my very ex sister Paige Collins, and my famous uncle Dr. Stuart Fountain in Atlanta and Ashboro NC this evening.

The collapse of USA and almost all other nations occurs soon as I predicted and showed years ago... UNLESS my PEOPLE RISE UP to destroy all crime networks today.....

Any questions now? For I have had 75,000 shares of certified common stock since Dec 23, 2014 to offer to qualified new society members of UNlocracy.com. Tuesday May 2, 2017 back at Crowne Plaza per Noel Nobel call on their #RealNumbersPH forum on the worst end result of political corruption and poverty. Sec.Martin Andanar and Sec DOH Eric Tayag are here with top DOH and PNP officials. No Politics results in ZERO secrets that destroys the poverty conditions that are the root cause of massive drug abuse. Anyone can make the supply of artificial drugs with a small drug/hardware store shopping list and gas burner. Destruction of the DEMAND is the ONLY answer. The Drug Wars are how political criminals and underground black market terrorist criminals overthrow the peace and sanity sanctity of our world. I ask my prime question at 4:50 am as they answer now on my iPad recording. Only by destroying political corruption will mankind survive the criminal ruling elite fear and intimidation. I arrive at 3 pm and speak with as many journalists and broadcaster alike Kim (ABS-CBN, young 30yo man) as over 12 mass media camera crews are lined up at the back of our room where I sit center back stage.

I state on the open microphone that I have been #1 top anti crime expert asking for direct interviews with Duterte, Bato Dela Rosa and all major news net work channels to GO PUBLIC to world on HOW to solve these most basic and even primitive crimes against humanity once and for all. Is there anyone else who has EVER provided the most comprehensive solutions to save mankind from their base sinful, viceful ways and means. This should finally SHOCK someone into being motivated to actually INTERVIEW me on any subject.

The earlier discussion was about the 11 % drop in crime in last 6 months as well as their 10,000 patient rehabilitation bed centers that are part of the out-house and in-house. At 5:06 Prof speaks about clusters of DOJ agencies that accept hotline public informants so that PNP and drug agents can actually deal with the individual addict issues. Supply, demand, distribution are how DRUGS propagate. He claims they cut supply to 10 percent and demand by 15 percent. 4 philippine billionaires in 2010 are now 14 in 2015. 27% poverty rate is the same. At 5:20 pm, the wrap-up commentary is from 45yo Sec.Martin Andanar PHIL.gov.ph/RealNumbers to see the actual numbers.

Sunday, April 30, 2017. Victory Church. Lamentations. 2:22, 2 corinthians 9:7 offertory as we arrive 11:20 am. Ezekiel sits next to me. Sr Pastor continues 9 week series on FORWARD. He speaks on the 21 day read scripture challenge. Topic is 'Essential Doctrines' of Christianity. This is [SolutionManifesto.com](#) [SolutionPeace.com](#) [SolutionGOD](#). [ChristDomain.com](#) and other Acts of Wisdom published to world including here in [IseelunderStand.com](#) repository. They have church community classes on their theology doctrines. What we belief system determine your behavior. I do not voice record today as I normally do.

He shares the attitudes to stay grounded in the doctrines. 2 Peter 3:17-18. Read this yourself. Chris speaks about return of Christ and some who claimed they were Jesus. Peter states to '**TAKE CARE**' that you are not carried away with the error of **lawless people** and lose your own stability" By their fruits, you will know them, he states. True teachers speak the scripture with integrity of what these acts of wisdom teach. A pastor from Davio claimed he was the Son of God, the second coming of Jesus. Chris's young daughter discerned the difference. People loose their footing and standings because they are unable to filter the truth from falsehoods.

Planting in the right spiritual environment enables mankind to actually grow in righteousness. Being perfect is not part of reality as our world is so devoid of justice and peace.

My step son Ezekiel next to me has attention deficit "disorder' malfunction', just like almost the rest of our world who are distracted by the 'BLING' factors of BUY now, pay forever. This slave trading in it's final stages I have detailed for now +9 years.

Chris defines grace as undeserved favor from others (and GOD). Who is actually WORTHY of GOD's grace. he states we are often fearful of asking GOD for favor and gifts from heaven. He quotes the Lord's prayer about forgiveness of sins and the transgressions of others against us. He knows [FatherKeith.com](#) Duncan, just like the rest of our world will soon realize exactly WHO THEY ARE as well as WHO I AM.

I monitor a strange group on Facebook of 'Biblical Flat Earth Truth'. I just posted this revelation for the entire world to see.

This group defies all odds. In simple language, if the Earth was actually flat, then no one here actually lives in true reality. For every other planet, moon, stellar object would ALSO be flat. It also stands to reason that every ball you have ever encountered is also FLAT(when one lets all the air out of course). It also means that no pancake is actually flat either as every one I have ever cooked and eaten has a dimension to it. Not DEMENTIA which happens to be what occurs to people when then loose the ability to use common sense to see reality in pure GOD's form. The brain washing of my now 7.5 billion people continues by the truly criminal

ruling elite because they want you DEAD, as food sources, as food providers, and as slave laborers. This is THEIR logical reasons for living and their destructive ways and means to dominate those who refuse to be the free thinkers and righteous people who may one day actually be allowed and permitted by GOD to explore the rest of HIS/HER universe as Sovereign Ambassadors in search of the real meaning of life. If anyone has an objection to this reality, then you need to have a sanity check with those who actually understand the true meaning of life and WHY we are here.

BBK20170430-WorldUNIFY-ChristDomain-EVOTE-1025.pdf on IseelunderStand.com is today's worldwide broadcast of WHY I AM HERE and why I ask WHO ARE YOU. fatherKeith.com Duncan

The decline and self destruction of mankind is the true reality of humanity shown by FatherKeith.com. The answer is from BidOnKeith.com world leader consulting services. It is clear that I truly need to emergency fly back to USA to teach the public exactly HOW to identify all criminal networks that reside inside so many corporations and government institutions. This results in the destruction of most government agencies and many of the corporate monopolies like AT&T that dominate our economies and lives. Even the DOJ, FBI, IRS, AG agencies will COLLAPSE when my 7.5 billion people rise up to REPLACE them with the methods I have perfected and shown to our entire world. No one has ever done this before in plain language dialog of the GLocalPeace.org initiatives or SolutionUNI.com tied to SolutionPeace.com. Bloodshed, martial law, and destruction of life as we know it is already occurring on a hourly basis. Few care, fewer have any true knowledge, and almost our entire world does NOTHING about the self destruction genocide that enslaves our people for the final time. GOD has NOT intervened as HE/HAS done in the past for non-obvious reasons that even the religious leaders of our time have been avoiding and negating. For why WOULD GOD lift a single holy finger to save his own creations from the demonic plaques that sweep our land after all the work GOD has done to educate and equip his people to be the Sovereign Ambassadors to explore and protect the rest of his universe. This is WHY no one has stepped on the moon since 1971 and WHY no funding and initiatives are currently in process to break the time-warp barriers of interstellar space. For I truly feel and experience that our world is in a time warp of holocaust that makes WW2 look like a day in the park compared to the extreme apocalypse that is about to occur. Since I have never been a Doom and Gloom proponent, I have been personally showing the world how to save themselves from their own predatory green and sinful ways. My wife Marites has also gone off the 'DEEP END' by objected to almost everything in negative ways because she also refuses to DEAL with the REALITY of our world in POSITIVE, and uplifting ways.

The extreme tragedies I have witnessed, personally experienced, and suffered are 100% true and have NEVER been exaggerated in any form or manner. ANY of the broadcasts in all social viral media methods and personally DELIVERED to all law enforcement, public, Press, and Churches has always been inclusive. I plan on going back over to Manila Marriott this evening because I have free MX parking and high speed internet. I might also meet MORE high powered officials and independent free thinkers who can also, GO PUBLIC. For most Philippines and expats I minister to and with, are PLEASED to see I work full time for them. Especially when I discuss HOW their income will finally come up to be on PAR with the rest of the developed world once all crime networks are systematically exterminated BY, FOR, and OF all my 7.5 billion people... using eVOTE.ONE and URLiDent.com along with all other world class changing solutions on BuiltByKeith.com too numerous to keep re-showcasing to world.... Wed April 26, 2017. Appended on Tuesday.

After +9 years of fighting this devil satanic super super criminal terrorist ROSE and all the others who brutally robbed Keith Duncan, falsely testified, and then destroyed their own criminal court document trails, just WHY have I been personally forsaken by everyone, including GOD. WHY? apparently I am the only person alive who truly knows the true state of human reality. Most hate the words of politics, religion, crime, corruption, or other simple single words. They turn off and go DUMB since they have no clue that the evil ones I have worldly identified are actively enslaving them, and few actually CARE. I went to 3 hour Mens Christian Breakfast, then to ASEAN to get mass media accreditation, then to a wonderful art export business to help them with their business that is truly thriving. Then to Manila Hotel (famous) to use their wifi and minister to everyone I met, including all the guards on duty. I sleep now 11:45 pm as My internet is too slow to be useful.

Tues April 25, 2017 I went to Shanghi La to register for ASEAN 2017 conference. I took photo of AMX control panel on 3rd floor that is a true CyberCrime Terrorist reality threats by TheFinalTerrorist.com ROSE. I have shown everyone, including the world HOW to manage their worldly affairs. I next to go to Risk Management forum. This is actually RISK avoidance as I attend the ASEAN related 'Executive Seminar on Risk Reduction and Crisis management for Events. The pro speakers talk about anticipating all possible issues and conflicts and pre-planning for contingency plans to avoid man made disasters and mitigate natural disasters. Voicerecord at 2:20pm iPad with CID Luis Morales.

He was head of an ABS-CBN division. Crisis Response. The case study is Feb 4, 2005 stampede at a Philsport event ABS-CBN when 71 died and 300 injured. he speaks at length on how to manage crisis through planning. Proactive prevention is always the key.

Crisis communications in a Global Context. **1. Risk Management.** At 3:39pm he speaks that the Experts who OWN they crisis are the most viable source of critical information to mitigate damage and focus on recovery. **2. Use Judgment, not emotion.** Brand protection and being positive with out being reactive or defensive at all.

Lonmin miners strike deaths, then the GAP crisis shown on the USA based John Oliver show. **3. Coordinate.**
4. CyberBreach. example was 'TalkTalk' in Britain. Then a Sony movie about 'The Hack' threat against Chinese President. 80 million accounts hacked at JPMorganChase. **5. Strike the right tone.** United airlines recent passenger event. 2nd BP gulf oil spill \$23 Billion claims/cleanup. **6. Be Transparent** -Develop stakeholder relationships. APP was his previous timber group. InfoGraphics is key to transmit image data to your audience.

The open forum 1st question at 3:54pm is when does one hire a lawyer. Luis Morales states get a great one who has communication skills in plain language. Ramon Osorio from ABS-CBN has his lawyer next door to him before responding to a crisis issue.

At 4:08pm today, I voice record 3:42 long most critical URLiDent.com world broadcast to our group of 100 news media, lawyers, and risk assessment experts.

At 4:25 pm Atty Jesse H.T. Andres is the guest speaker showing 1. Stakeholders involved, 2. sources of obligations 2.1 Law, 2.2 Contracts 2.3 Delicts 2.4 Quasi-Delicts. 3 case studies of Wowewee Case Close-up Rave Party. 4. Contract Provisions. 5. Case media handling.

Keith: This is also the massive crimes I have witnessed and seen as I reported all of them to law enforcement immediately depending on level of severity. This is also why I am #1 top anticrime expert in the world BECAUSE of the felony capital crimes committed that all are encompassed inside cybercrime terrorism along with other massive constitutional law violations against the #1 SaviorKeith.com BidOnKeith.com FatherKeith.com saviorKeith.com that started with FollowKeith.com and CreatorKeith.com

Atty Jesse speaks on Contracts at 5 pm. Article 1159. Obligations arising from the contracts have the force of law between the contracting parties and should be complied with in good faith. He speaks on contracts are binding as law between two parties. Mon April 24, 2017 was afternoon visit to GBC Art Center Makati and a short bus tour to see the Street Art prior to the Design Institute of Philippines forum on Wed and Thursday. Jay and others video interviewed me on the most critical ANTI-CRIME solutions that are going PUBLIC viral as we speak and act with authority.

Sun April 23, 2017 Back at Victory Church originated as EveryNation some 35 years ago. VictoryFort.org/readtheBible. Odd that I have offered \$1 Million USD to almost all major churches I have visited based on the pain and suffering I have endured on their behalves BECAUSE few churches actually PRACTICE what they preach at any major level. Christ warned about the Hypocrites who were often elders and leaders of the church.

At 11am, I am back at one of the largest and most powerful born again Christian churches in the Philippines. The room is 2/3 full as I sit on 2nd row far left of stage. Just like I have personally visited well over 200 churches in just past 3 biblical years. This has always been my lifetime mission, to UNIFY all of humanity. The rights of my people have indeed been slave traded away in the biggest warped history of time by the Criminal Ruling Elite and terrorist cabal groups that have threatened the very existence of the human race.

Sr Pastor Christopher starts new series called FORWARD for 9 weeks from the Apostle Peter teachings. He states typical Manila commuters spend 1,000 hours per year in traffic/travel. That is one half man years. I have been wanting a helicopter for years, starting way back on exactly Sept 11 2011 right before I was handed over to the ANTI-CHRIST to suffer extremely for YOUR sins. He shows the Motorola Bag phone from 1970s when I was doing free phone calls through my Amateur radio 2-meter rig, call sign

WD4LQP. He speaks about technology in the workplace as well as our dating relationship risk managements. This is [ReManADate.com](#) created back in 2010-2011 era.

Normally I would voice record. They have this done already with their website re-broadcasts. 2 Peter 3:17. Peter walked on water with Jesus help. He walked in faith and often faltered. verse 17: *“Therefore, dear friends, since you have been been forewarned, be on your guard so that you may not be carried away by the error of the lawless and fall from your secure positing.”*

TOPIC SERMON is “Spiritual Hunger”. Keith: Read 2 Peter 3:10. Christopher reads 1 Peter 2:1-3. I read The Living Stone and a Chosen People verse 4-7. The Roman Emperor would literally flame Christians and hang them on light posts to dissuade anyone from acknowledging GOD and Jesus. Keith: This will easily reoccur once martial law is declared and our communications, banking, travel, and news is shut down on premise of a real or perceived terrorist attack of Weapons of mass destruction. This is cybercrime terrorism that is the #1 top plaque of mankind.

He shows photo of a baby. They cry to notify of their most immediate needs, food, milk, change their poop diapers. The spiritual hunger is what is missing from most of humanity (per Keith’s revelations). I was also just reading Ezekiel chapter 1 about the 4 wheels and 4 angels. Sure describes a 4 propeller drone/helicopter that only existed just a few years ago.

Our survival as a believer hinges on God’s Word, states Chris. A china video clip shows first Christian bibles gifted out. I lived in China for 6 months. The total history is on [IseelunderStand.com](#) Feb 11to Aug 6 2015. He asks how often we read the bible. Keith: only occasionally, for I am too busy writing new ERA3 Scripture about the current state of YOUR reality. Matched with the solutions to overcome (yes, overthrow) the evil vices of our world by teaching all how to Care and Love for each otehr. Job 23:12 *“I have not departed from the commands of his lips; I have treasured the words of his mouth more than my daily bread.”* Keith: Yet Job was the most righteous man of his time and was forsaken by his own wife, family, friends, and even GOD. Same occurs to keith brent duncan (lower case entity is on purpose).

Chris: Sin may keep you from the bible, but the bible is what will keep you from sin. Psalm 119:1 *“I have stored up your word in my heart, that I might not sin against you.”* 1 Peter 2:2. Matthew 4:4. Chris speaks about saving text messages. he states GOD sends us messages everyday. How ironic that I, Keith, have been seeing and acting on GOD’s electronic messaging system almost every day. he quotes “A.W. Tozer ‘the bible is not an end in itself, but a means to bring men to an intimate and satisfying.... “ Chris speaks about traveling abroad and missing his family for 3 weeks. He closes out in prayer about treasuring GOD’s words in our hearts.

Sat April 22, 2017. -fill-in yourself what I was doing all day. I was busy in name of GOD. Slept until noon. then took Marites to renew Sky hi speed wi-fi, then Market Market to buy a 159P pizza with my very last 1000 Pesos. Not a single ‘blasted’ soul has responded to anything I have gifted mankind, recovered any of my stolen IP or assets, or demanded anyone actually TAKE ACTION. This all culminates in how to UNIFY all of Mankind using the prime and only solutions that are still at massive threats of being purged by these terrorists, including the #1 top criminal in world, Robert Dee Rose who is clearly a/the AntiChrist for his ability to disappear when his evidence of massive crime sprees is shown to the public.

Fri -Ditto. Christian mens breakfast 8:30-11 meeting with lawyer Ronnie Yap also. Went to Marriott Manila Airport to broadcast #479 series.

Thurs April 20, 2017 At IP Patent International ASEAN forum this morning at Crowne Plazas. [AIPPI.org](#) The International Association for the Protection of Intellectual Property

I enter at noon after quickly writing a request letter on letter head to gain admission to this private event of about 100 persons. Most are dressed in professional black and white. Protection of innovative and patentable designs and solutions is their focus. Many law firms are present who can easily make international fame with [TurnOffLights.com](#) and the original [IcStand.com](#) [PhoneCradle.com](#) I also sent [ProfitShareHolders.com](#) to many law firms that is also a patentable business process.

Copyright and trademark infringement are discussed. The presenter lady is Seena with Jurisasia LLC. A new feature allows a 2D photo to be converted to 3Dimensions. The valuations for the world changing solutions are worth Billions, actually Quad-Trillions in economic reformation.

Katrina Doble, Partner Villaraza and Angangco Law LLC, discusses demographics. 54Million Filipinos 52% are on internet. 33.3 M smart phone owners. Average Filipino time is 5 hrs /day on smart phones.

Point 1. Counterfeit Goods / trademark infringement in online shopping. Online shoppers spend 6.2 hrs daily online. marketplaces like OLX, Zalora, Lazada. This SOLVED forever with URLiDent.com and video confirmation of buyer/seller transactions. CyberSquatting.

Peter Willimott is with WIPO -World Intellectual Property Organization. peter.Willimoth@wipo.net as I voice record him at 2:30pm ipad (with his pre-permission). He is Sr Program Officer based in Singapore. He has C.S. degree Ireland and is Australian. The Philippine Secretary-General (of ??) is here today. WIPO is part of WSO -United Nations including ASEAN. They have 1000 staff in Geneva Switzerland. Peter has 30 in Singapore.

Aleli Angela G. Quirino speaks at 2:52 pm. She approved my attendance today. She is top level IP senior partner on patent law and recognized as expert in Philippines. She does not have powerpoint as she is the alternate speaker. Got many wonderful world leader biz cards and showed them all HOW to direct FUND their own ministries and agencies. Then went Manila Hotel to broadcast to all #478.

Monday, April 17, 2017. Sunday was spent in Mass at Poolside in Binan Philippines and travel.

I remain beyond shocked and stunned that so many world crimes are committed by the second and NO one truly has a clue HOW to prevent almost all crimes in the first place. Jesus Christ, FatherKeith.com Duncan and most other fore-founders addressed the root issues of humanity's ability to vice, sin, and commit crimes against humanity by showing them how to actually LOVE and CARE for each other. There are truly no major or even medium/minor issues that have NOT been solved by Keith Duncan using solutionFinal.com The Satanic forces of evil are systematically stealing all your assets, wealth, and rights for their own use to enslave and genocide all who resist their fear and intimidation tactics. This has never been boiled down to these fire and brimstone biblical facts, much less forever resolved by these ordained and divined methods that are the true Plans of Total Salvation. I sit in Globe store at Gloretta Mall 3 now seeing if I qualify for free LTE-SIM card upgrade. Then I go to Shangri-Li to broadcast and monitor our entire world.

On many days, I ask GOD to return me back to heaven so I can finally be the ultimate heavenly consultant to advise the angels, GOD, and others on the Judgment of all others. I have indeed 'minor-sinned' if one can put it in proper prospective, but NEVER did anything to justify ANYONE ever denying my rights or confessing they have been in terrorist conspiracies to prevent MY PEOPLE from rising up to destroy all crime networks once and for all. I have been taking action, and waiting, for now 9 years to demand ROSE return my Forsyth County GA judgment 08SC-1345, the IRS to pay out the +\$8 Million USD IRSWBFeb2009,658, and the USA Gov pay out well over \$500 Million USD in real and punitive damages for the extreme personal and business damages they have caused the one son of humanity. Most would call me Son of GOD, but I have never been one to self-endorse for self-entitlement reasons. That is what criminals do..

Sat April 15, 2017 TaxSlaves Of Cybercrime Warfare and Political Prisoners of Anti-Christ unleashed.

The enslavement of humanity by taxes, manmade criminal loophole laws, and uneducated masses BY, FOR, and OF the Criminal Ruling Elite is the worse plague of all historical time. The #1 world anti-crime expert was criminally stalked, physically robbed, persecuted by any and all criminal law/judicial officials, denied ALL his God ordained and civil rights, kidnapped by AntiChrist ROSE direct orders, threatened with death by forced psych tropical drugs for two years, ROBBED again of all his remaining life possessions and intellectual property, dumped on the street as all legal documentation has been forged, sealed, and then destroyed, and now is the only worldly sage visionary person to teach our entire world how to DESTROY all crime networks once and for all. For it always takes a conspiracy of +2 persons to commit and hide any crime.

In the most demonic extreme case of felony capital crimes against humanity, ROSE is the most horrific psychopath of all by his ability to use his now easily BILLIONS of USD assets to buy off and extort anyone who threatens his final satanic establishment of his Kingdom of pure HELL. This is the enslavement of all who are not exterminated by Weapons of Mass Destruction utilizing the iron clad control of electronic databases, perversion of the media propaganda, the use of mercenary henchmen known as corrupt liar-lawyers, Judges, Politicians, corporate executives and even religions leaders to do their direct bidding of destruction of our world so they can live in palaces of gold, silver, and diamonds protected by their un-breach-able walls and compounds.

None of this is science fiction fantasy. It is your true reality as shown by this barrage of broadcast and personally delivered solutions to save mankind from it's own extreme predatory greed, sinful vice, and internalized need to dominate over all others.

Exactly two years ago, FatherKeith Duncan was leaving Rome Italy on USA Tax Enslavement event after 10 days contacting the Vatican, the USA Embassy and literally the entire world. This was after going directly to Tel-Aviv, EmmaUS, JerUSAlem Israel, and surrounding area to follow the footsteps and stations of the cross of his very own GodFather Christ JesUS.

Market Penetration and Mass GO PUBLIC has always been the prime method of any fore founding person who is commissioned by GOD and the heavenly angels to change the course of human history. For no crime has gone unreported and delivered repeatedly and reputably to THOSE gov law and judicial agencies who ONLY soul purpose is the fearlessly protect the rights of the HONEST INTEGRITY driven persons. They have never been tasked to destroy public documents and to re-actively protect the crime families and their own criminal terrorists who work inside their institutions that are all financed by tax dollars and seized criminal assets.

For the true business of Keith's right hand and most prestigious video production studio networks has always been to command Peace and Justice while ensuring the legacies of these 'fool-proof' scientific and spiritual methodologies will be cast into the hearts, minds, and souls of your very own New World Society of UNlocracy.com By altered definition, UNI ocracy means You and I. Related to Meritocracy, Cybersynacy, and Technocracy, UNlocracy.com is "ruled by the singularity of all human minds connected by telecommunications acting as a form of super computer to make decisions based on shared patterned experiences to deliver fair and accurate decisions to problems as they arise". This single word originated in 13th century AD.

This is Interpol URLiDent.com who also refuses to ever do ANY follow-up, call backs, and personal interview debrief Press Conferences that most dramatically changes the course of current human history. Clearly, Interpol and almost all world governments and corporations were criminally infiltrated by criminal terrorist rogue agents starting back in 1958 era when Keith was born Aug 15, 1958 as previously reported and described in excruciating detail this entire time of catastrophic apocalypse that is the pits of Hell, brimstone, and fire foretold in most biblical scripture of major religious teachings recording the plights of humanity.

No most accurate word verbiage has been omitted or altered to deceive or deflect my 7.49 billion people from being motivated using the 'HIVE PRINCIPLE' to become the master race of this section of our universe as Sovereign Ambassadors of Peace, Harmony, and the pursuit of ultimate knowledge and immortality. Morals is the base for morality as perversion of our selves, society, and race prevents immortality from ever being achieved by God's original design. The Christian bible shows most of our famous fore-founders as living for centuries based on their service to people and 100% justified healthy lifestyles.

I am in Philippines now full time since Aug 6, 2015 after dramatically leaving each impoverished country I have visited in times of their greatest needs. For the USA remains the most impoverished country despite their perceived wealth of goods and services because most have been brainwashed to believe that 60 to 75% tax rates and being in debt to these 'BANKSTERS' and MOBSTERS is the only possible lifestyle while they toil away in the slave houses of global tyrant monopolies, corporate sweatshops, burger-fry flipping service industries, and cleaning up the crap and dungeons of their slave masters.

From Feb 11, 2015 to Aug 5, 2016 I lived among the Chinese people daily pursuing total justice and equality while completing these 100% God concentric ministries that are now fully exposed to our world. Many days I ponder if there are any other worldly issues that I have not ordained and divinely been gifted to teach our people.

I have called on all Military, Law Enforcement, Gov officials, corporations, religions, and my people to JOIN UNlocracy.com or be exterminated by the criminal demonic forces who they refuse to identify and hold accountable. When YOU, my people, finally take these viral, each of you will indeed fearlessly protect the rights of all others since you will see that the spiritual effects of organizations of BuiltBykeith.com and CEOsace.net (see SolutionManifesto.com) benefit all of humanity using SolutionFinal.com

Right now the 100% world focus is to RETURN Keith Duncan back to the USA to raise the last needed international army of Honest Integrity driven persons to destroy all crime networks once and for all.

Only a few hundred dollars sent by WesternUnion.com to name:Keith Duncan, city: Amulung Philippines with confirm transfer # sent to email: kduncan2005@gmail.com is required for the RE-ENTRANCE return to USA and all other countries. Who will be FIRST, NEXT, and LAST to support and protect Keith Duncan?

This is just what JESUS did in JerUSAlem on Palm Sunday approximately 1987 years ago. Billions of my people will soon SUPPORT FatherKeith as I truly do not need to own much of anything but my own health and freedom to travel our mutual world teaching our entire world HOW TO UNIFY itself once and forever. That has always been my destiny and final destination before I return to Heaven for the reasons already stated on so many of these IseelunderStand.com broadcasts. It is now 4 pm as I travel by Motorcycle with my dear wife Marites of MaryRights.com world fame to the local area in search of more churches, universities, and places of your greatest needs..... Keith

Great Friday, April 14, 2017. It was indeed FINISHED years ago, when I successfully debriefed, interviewed, and published to world EXACTLY how to SAVE THEMSELVES from the horrors of the demonic slave trading crime family networks who profiteer on all the vices of my 7.48 billion people. Time for breakfast now at 9 am in real time. I have spared no expense or time of decades of tens of thousands of man-hours completing these final most extreme and fruitful bounty missions on behalf of God and humanity. No criminal act has gone undiscovered and overturned despite the extreme expense and peril to my life and all of mankind. The weight of the sins of my people have been on my shoulders for the past decades since no one has truly acknowledged any of the most comprehensive solutions I have gifted to all our world. I truly attempt to not duplicate the same exact facts or verbiage since no one truly likes repetition. This is also why I am annoyed by so many Christian church services that blast and boast away with songs of praise and adoration in prayer yet seldom motivate my people to actually TAKE ACTION to FEARLESSLY PROTECT the RIGHTS of ALL OTHERS.

The most extreme excuses and objections are always from the mouths and signed evidence of these demonic satanic criminals as anyone can listen to the lava flow of lies that emit from their serpent tongues of deception to convoke and convince others they are 'saints and angels' by diverting all attention away from their most folly sins committed against their honest foes.

How odd that I have already directly, formally, and legally contacted almost all these criminals to inform them to SURRENDER to the proper law enforcement agencies by confessing their crimes and showing everyone their very own signatures on all these Norfolk VA 4:11cr112 related Murder for Hire Conspiracy coverup certified documents that I smuggled out of HELL Jail for 848 days expecting to DIE any day the hands of the next hired mercenary from Rose. This is still the most extreme case of WHY ROSE has never been brought to justice despite the most direct evidence he has always been #1 super criminal terrorist and Anti-Christ leader of the New World Order that everyone suspects and fears. Yet no one has ever identified who are the most dangerous super criminals because of their extreme wealth and power to destroy all criminal trails leading back to their leacersous (spelling) criminal, non-repentant souls.

Now Great Friday day as Christ was buried on Maundy Thursday approximately 1987 years ago. Thursday was Thomas Jefferson, 2nd USA President birthday as I was broadcasting #25 Wash The Sin out of Washington series on youtube.com back on May 2, 2014.

I return to USA as soon as ANY of my thousands, millions, + all others DEMAND my return to teach them how to PURGE all criminals. This restores UNlocracy.com By, For, and Of all mankind. I am clearly the #1 top evangelist crusader to fill your stadiums up with our people to UNIFY all of mankind with UNITYurl.com

Wed, April 12 through Thur 13, 2017.

On Wed, I went directly to OmniBudsman Morales office, met with Priest Father Robert and Deputy Omnibudsman Gerald Mosquera, office (02)479-7300 and personally handed them my business cards and the two page most critical SolutionGovernment.com world saving/changing Duterte personal letter updated from March 24, 2017 to present. I then went to PIA (Philippine Information Agency), met their Director General office staff again along with Broadcaster Gerald ?, then to PeoplesTV to speak with journalist at their guest desk, then to GMA (Jessica Soho), then to CNN Philippines (Suzanne ?), then to meet Mary Roxas-Chua at St Francis (Daughter of famous Chinese developer Tycoon Luke Roxas) about HKTV and the ONLY solutions to liberate mankind from the horrors of all crime networks. Then home.

On Thursday, our extended family packs to visit remote relatives south of Manila. I go with Malon on Motorcycle to meet with GMA production crew member of Jessica Soho regarding 1200 Unionized workers who are having conflict with their leadership of the union. We leave for relatives home at 4 pm, arrive 1.5 hours to go swim and visit for 4 days. I take NO days off, even on Sabbath days, since I clearly work full-time for GOD and all humanity like my very own GodFather, Jesus Christ.

Tuesday, April 11, 2017. It WAS Finished years ago. Apparently I have lost some of the most critical evidence again and again to the Demonic AntiChrists who have almost enslaved all of mankind. They are all destroyed with these biblical scripture methods that empower all humanity to RISE UP and rid our world of all ROSE and other satanic forces. Any questions can be addressed by directly contacting the #1 top Anti-Crime expert broadcast crusader who teaches our world how to legally CURSE all unsaved criminals.

I go to Japanese food court to meet with 15 blogger journalists for food tasting lunch, then to Marriott Manila Airport to broadcast iseeJustice.com BBK20170411-ThePurgeOfCriminals-473.mp4 This is short.

Sunday, April 9, 2017. I sit with my son Prophet Ezekiel at breakfast, who at 7 years old understands the dialogue language of what I have gifted to humanity better than almost anyone else. He alone can even host stadiums of hundreds of thousands of person to teach them about family and children values. We go to Victory Church again this morning as soon as Marites does her face makeup. I remain shocked that so many people are totally preoccupied with their outward appearances yet seldom work on their inward appearances, soul, mind, and exactly WHO THEY ARE. For getting old is part of GOD's birth through death process that can not be intervened except by GODly powers that have not been experienced in a really, really long time.

At 11 am service now, Christopher is the lead pastor of Victory Church speaking on Wedding situations this morning. To love and honor each other. I review Jude and other scriptural passages today as IT HAS BEEN FINISHED for many years. This is how to UNIFY all of mankind

Christopher quotes John 20:31 "but these are written so that you may believe that Jesus is the Christ, the Son of God, and that by believing you may have life in his name." Keith: As I read verse 22 "his parents said this because they were afraid of the Jewish leaders, who already had decided that anyone who acknowledged that Jesus was the Messiah would be put out of the synagogue." This has occurred to myself many times as these top religious leaders state 'OH, NEVER ask questions of us. We ONLY focus on JESUS and preach the redemptive power of prayer as we wait for Christ to return to SAVE us from our viceful sins'. None of the most powerful preachers, teachers of the biblical law, or others have EVER asked the most obvious questions at all. 1. WHO is Keith Duncan. 2. Why have you taught our world how to unify 3. Why do so many others vindictively persecute you, as we do also. 4. Who is actually blinded by greed. 5. Exactly who are the evil demonic satanic anti-christs who reside in our leadership and corporations focused on the destruction of those who have a sliver of integrity and honesty left in their souls.

Marites of MaryRights.com fame sits on my left on 3rd row far left of full auditorium. Chris speaks about the 'GLORY of GOD will be displayed' at 11:51 am. I am not voice recording this time, but THEY do on victory youtube.com channel Jireh Bautista is 21 year old computer science graduate, son of a shoe repairman, was sponsored by Real Life Victory persons, DOST, Cebu Gov and others. SunStar Cebu Sat April 1, 2017 featured article. by Jay Ann Ramirez. He stated "... we are all recipients of Gods tremendous blessings." Chris shares the story of Jesus gifting sight to a blind young man with mud. Jesus claimed he was WHO HE WAS. So does Keith. With IFJC2.com and NewZion2.com

No one can refute you telling the absolute truth. Verse 37-41 describe the REST of this end testimony that anyone can read to believe and ACT with Wisdom. The Pharisees had cast out the blind, now seeing man because he questioned their authority. They show slides on a Down Syndrome baby in USA, the parents are pastor-wife from here. Chris closes out.

Saturday, April 8, 2017 was spent with BuBoy and his family who took Henry and I up to Clark Military Base near Subic Bay to cross promote SunValley Clark new mega family resort and hotel complex. Details are on the videos to be published as soon as I can find WiFi International bandwidth since our host sister family has no Internet now because of lack of CASH.

Friday, April 7, 2017. This morning I attended Mens Christian breakfast at Max Resturant Greenbelt 1 at 8:30 to noon occurring every Friday. 10 men attended who saw exactly what I have gifted and are going public.

At 1:30 pm, I attend the big press conference forum of ASEAN at Agham OSHC North Ave Quezon City. Making the ASEAN Way to crete Quality Jobs for economic Inclusion. Forum on Job Opportunities and challenges. They start 45 minutes late. 50 persons are in attendance with 10 panel members included.

Mr. Nicon Fameronag of LIAC center for Public Interest, Dr Fancisco Magno Institute of Governance De La Salle Univ, and now Hon Aniceto John d. Bertiz III, member of Party List Acts OFW (overseas Foreign Workers). He speaks about the rights of workers and the return of OFW persons (This is MaryRights.com) He

speaks about sending workers to other nation. Engineering, medical, dental, accounting, surveying, and architecture are the key workers LEAVING Philippines for oversea green card (low paying jobs). He speaks on creating real time data on OFW to track the statistics and situations of those who are abused by oversea companies and employers. He has filed many bills covering migrant worker rights and support at grass roots support. Dignity and respect are his focus. Keith: the abuses of OFW are actually slave trading masquerading as the only way for so many Philippines to actually earn a living to get out of the abject poverty caused by centuries of invading armies and domination by Spanish, Americans, Japanese, Chinese, and now so many other foreign 1st world powers.

Normally I would voice record and publish. At this point and for years now I have been pondering 'PULLING THE PLUG' on all these ONLY world saving solutions that will allow this last biblical apocalypse events to complete since GOD, Buddha, Mohamad, Christ, Gabriel, and other fore founding father/mothers have NOT intervened. GOD sent Keith Duncan, clear and simple to see, believe and Act with Wisdom. As I have been searching for OTHER messianic messengers and persons of integrity this entire time. This is how deadly serious these sequences of AntiChrist events have been, starting in Oct 1957, my birth Aug 15, 1958, and subsequent historical milestone dates.

I voice record him. at 2:53 pm, John Bertiz says 27 agencies involved in OFW have spent 8 Billion Pesos to protect their rights. Underage Philippines are being smuggled to Saudi Arabia human traffic crime rings. He talks about the lack of Law enforcement and justice system.

Mr. Julius H Cainglet is AVP of Federation of Free Workers. Voice record 3:01pm on iPad. DaBigDyul@gmail.com [facebook.com/Dyul.Caignlet](https://www.facebook.com/Dyul.Caignlet) He speaks about education, role of PRESS associations to expose and mass media share realities of humanity. He speaks that Superior Education can result in 'Brain Drain' exodus of highly skilled merit persons going abroad because of the abject poverty caused by world corruption. K12 programs focus on CHED (Commission Higher Education Dept) initiatives of STEM (Science, Technology, Engineering, Math). Survival of the Skillest (not strongest or smartest?) There is a great need for skills education for our youth resulting in Small Business Owners. This is TeamMoneyMachine.com and TeenPenny.com . he states hardly and seriustraining programs of employed workers, unionized workers do get more training. Precarious/ Contractual Agency workers hardly get training at all. Marites had to PAY for her training BEFORE going overseas. About 20,000 Pesos = 3 weeks of salary of 30,000 P per month in Hong Kong.

Mr. Alvin Soriano is GM of LBS eBusiness Solutions corporation. He helped create SAP Skilled Labor Monitoring system for ASEAN. VoiceRecord at 3:51pm. Their system tracks trends as well as individual assignments based on any category. The graphs he shows indicate massive brain drain of professionals.

Professor Rodrigo S. Magat is Mentor Director of I-AM-SAM Foundation. Youth educator, Masters In Business Admin. ASEAN was chartered in 1989 era. Voicerecord 4pm on ipad. Training COMPETENT youth to conduct ethical integrity based businesses. At voice mark 4:23. Small entrepreneurship. Nation building is a shared responsibility.

Mary Grace Riguer -Exec Director Institute for Labor Studies Dept of Labor and Employment. VoiceRecord 4:30pm. Lasting Stability, Peace (APSC). Greater Prosperity (AEC). Inclusiveness, Resilience (ASCC). 300 Million persons make up ASEAN workforce. Employment, Social Protection, Rights = Social dialogue.

Louis P Valera at 4:59pm OIC, International Affairs Div. Free flow Professional services, goods, skilled labor, capital, and investments. Keith: This is 100% the new world society of UNlocracy.com Professional Regulation Commission.

There is NO question and answer section so far at 5:15 pm. This Press Conference is more of a very long one way educational 'brain dump' of the current Philippine regulations and state of their economy.

Just who are the criminals who testified against Keith Duncan. Are they hiding in churches, boardrooms, courtrooms, bedrooms, and underground criminal liars, I mean lairs. WOW, a one character difference mistake makes a WORLD of DIFFERENCE. Is there ANY CHARACTER OUT THERE who makes a DIFFERENCE in EVERYONE's LIVES. That person happens to be Keith Duncan, who has been HIDDEN by the GREED of so many criminals, Keith finally LOST COUNT. WOW. With a near perfect photographic memory that he transfers to paper, computer databases, draws relation-SHIP diagrams, and uses audio/video/GPS/timestamped recordings to HOLD himself and everyone else accountable, what MORE can KEITH regain. Yes, RE-GAIN, for HE had his entire IP rights, personal heirlooms, and net worth assets stolen on 100% false premise. NO-ONE in over 6 years has ever asked KEITH what was really going on in our world. No-one has been looking for GOD or Keith or righteous men/women to transform our society into GOD's law abiding citizens who actually CARE and LOVE each other by removing worry, stress, damaging vice, and thereby reducing crime opportunity and motivation down to ZERO. For Keith speaks in 1st, 2nd, and 3rd person to tell the story of how criminals had him KIDNAPPED to keep him away from the people WHO REALLY care about WHO GOD, CHRIST, and the HOLY SPIRIT trinity is all about. For Keith is the fourth component, all of you are the FIFTH element of LOVE. Keith is simply another bridge of the cross who transcends the dimension of TIME. So WHO would like to join Keith's GODly divine and ordained team now? It has always been easy to FIND GOD, CHRIST, and even Keith, if one simply opens their eyes, hears the truth of 1 Cor 13:13 LOVE OTHERS, and proceeds to serve others for their benefit first. For this is what Keith has been doing HIS entire life. Need he say more? Of COURSE, for HE is a Master Student-Teacher, just like his GODfather Christ who proceeded him and now is with HIM on his own walk BACK from Emmaus to the new ZION jerUSAlem located in Buckhead Financial District Atlanta GA, where everyone 'Passes the BUCK, trying to get aHEAD", no humor or pun intended. Well maybe a little joke, for GOD + KEITH do have a keen and sometimes cruel sense of humor. For GOD/Christ did create YOU in HIS own image. Simply review the YouTube Videos from BuiltByKeith, filter by Last Update, or Relevance/Revelations and see what happens NEXT. For if KEITH disappears again, consider it was www.WherelsRobertRose.com and criminals who wanted their own evidence suppressed.

Thursday, April 6, 2017 The End of the World is exactly what has been occurring since 1958 era when technology Cold World War III actually started with cybercrime terrorism as the worlds self-genocide plaque of all time. This can not be reduced to anymore gloom and doom apocalypse situation caused by the Criminal Ruling Elite such as AntiChrist Robert Dee Rose. My wife Marites needs professional help to understand why she flips out on almost any issue. Today, she threw a temper tamper because I use the top of the hot water thermos for hot water shaving because NO ONE drinks out of that top. Any cup would work, yet she finds fault in almost anything I am doing because she refuses to deal with her emotional detachment from her marriage and life because she is actively going BACK to the slave trading enterprises of domestic servant. This is because of her stressed out economic poverty caused by YOU, my 7.49 billion people.

I go soon to buy bus tickets for the local church trip to Calaray Resorts with Makati Christian Hope Church run by Chinese developer tycoon Luke Roxas who personally knows my 100% GOD and humanity focused missions of teaching our entire world how to save itself from its own Sodom and Gomorrah greed, vice, and sin. I truly do not know WHO else to contact as I have been the most active anti-crime expert and human rights activist for the majority of my life. I am watching Triple-X movie with Van Damn about Pandora's Box used to control and manipulate the world through electronic means.

Is this fantasy or the most true reality of how technology destroys our world or is the basis of the roots of plans of salvation of everything I have gathered and published to mankind. We do not even have Internet WiFi right now because of cost. I transmitted the most critical true positive video 470 just last night on

TheTruthVault.com and made a few key calls to USA persons requesting them to GO to FBI-AG in force and demand that anyone in law enforcement actually just MAKE THE CALL the my world accessible (63) 917-335-4300. For I am indeed King of my very own www.ChristDomain.com as I was already extremely wealthy and wise back in Nov 2007 when the AntiChrist ROSE tried to blackmail me to join his legions of demonic angels of death, pillage, and plunder using HomeWaves.com LightLogics.com Einstein Holdings, and 17 other extreme Perfect ClearCollarCrime.com underground terrorist shell/shelf corporations to enslave you, my people.

So I dress in business clothes now and to meet more high powered persons. WHEN will other Messianic Messengers and persons of integrity be joined with Keith Brent Duncan (lower case entity that can never be sued by arch-angels of criminal injustice.) My MacBook motherboard charger is faulty despite paying \$600 = 30,000 pesos for repair 2 months ago. I have 6000 Peso left to my name. the rest is in the coffined coffers of criminals in USA and in your nations. I have legally claimed just 1% of all criminal assets worth quad Trillions to fund my new world society of UNlocracy.com yet have no other stockholders with ProfitShareHolders.com who have joined UNITYurl.com or the other life giving/gifted ministries that are tuned to perfection and have been ready for world deployment since summer of 2011 when I was brutally and viscously kidnapped for the 3rd and 4th time and NO ONE CARED, even now.... Fredrick Joye Tech Startup Crash Course. How to manage your tech team, best practices of software development and outsourcing. Arcanys Labs. Born in Lausanne Swiss. Based in Hong Kong ArcanysFoundation.org Early education through parenting help 1,000 families. 2 elements with technology of People and Processes. Roles in technology startup include front, backend DevOps, architect, Business Analyst, Project manager(a few only), Product Owner.

Processes. Managing requirements, lean software methodology, estimating features, creating Architectural design, managing the team. don't forget testing.

#1 Cause of project failure/delays is Mismanagement of specifications and business requirements. Who do you need when working on requirements? include potential user, product owner, BA, and Graphic Designer/UI/UX. Fredrick discusses the high level documentation of requirements.

2. agreement on design, feedback broom users, watch out for scope creep. stick to core functionality. Lean software methodology. plan, build, test, review, deploy,.... REPEAT.

Clickable Prototype They use Invision or Proto.io. Html/Css Prototype.

3. estimate development time. (2nd largest cause of delays). Keith: This is what I have been doing at all levels production development applied to human psychology for 40 years. Next to me is Dr. Alexander, 70 year old psychologist from California who is in Manila for a few weeks.

, Then time estimation is for alignment and prioritization. verify user stores, prioritize functionalities into Phase 1 (MVP) and Phase 2 and beyond...

Next is Architectural design.

4. Finally, ramp up your development team. outsourcing may be a best practice also. Jira Asana, Trello.

5. Best practice -Add in QA tester. Write test cases, execute cases, write bug reports.
 6. Push product to test users. GO BETA early. never wait until perfection. It will never occur.
 use Project Management software to track progress versus expenses and manpower.
 Always have a high level architect involved. Coding CTO. Set standards, frequent code reviews, coach/Mentor your developers.

Cost of delayed MVP are dev team costs, founding team costs(unpaid salaries) time to market cost is missed revenue and competitor leap-frogging.

Do not be a perfectionist, refactoring. Do things that do not scale. PaulGraham.com/ds.html.
stripe.com AirBNB.com **Blitzscaling series** is on YouTube.com

Inspiration search for Steve Blank -Customer Development Process. Books are Elon Musk by Ashlee Vance, Disrupted: My Misadventure in the startup Bubble.

Outsourcing Best practices. be mindful of cultural differences. Keith: I had huge problems with India and other sub contractors to actually get them to PERFORM to contractual obligations. Amazon.com/When-Cultures_Collide-3rd-Leading/dp/1904838022 Avoid fixed Price projects. Never build project on proprietary framework of your software provider.

Frederic takes Q&A forum at 7:55 pm (Voice recorded) about project managers micro managing too much and the inability for people to actually unify together to accomplish their end goal for all stakeholders.

Keith: This is what I did with world famous IseeStand.com = IcStand.com software of ICS.MSI (Microsoft Install package of full screen video viewer for ANY web camera cost **\$18,000 USD** to Peter Beacom QualityBunker.com (615)605-4707 USA, as I spent well over 500 design manhours at my very own expense over 4 months. My phoneCradle.com and IseeStand.com CAD-CAM designer was > \$10,000 USD Robert Van Varick. RVanVarick@gmail.com (267)566-5923 in northeast. Head designer for kitchen tools maker

Well over \$300,000 USD I spent out of my very own retirement accounts because I recognized in 2008 through kidnapping on Oct 3, 2011, this was a BILLION USD marketplace that I personally OWNED because of my extreme ability to solve world problems using technology, common sense, and a very unique blend of spiritual connections with GOD and the rest of HUMANITY. This remains the most extreme case of massive Landmark Miscarriage of Justice in world history because few people have EVER done ANY follow-up despite the hundreds of thousands of my very own man-hours expended to literally SAVE all my 7.49 billion people.

Tuesday, April 4, 2017. At ASEAN pre-event press conference at Aloha Hotel on Roxas Blvd at 10 am Forum o Job Opportunities and challenges under ASEAN Economic Integration. Dr Francis Mago Dir of Jesse M. Robredo Institute of Governance. Mr. Nicon F Fameronag President Lilac Center for Public Interest INC. Mr. Loreto B. Soriano president/CEO of LBS Recruitment Solutions INC.

The discussion is small business market development and education to prepare skilled labor. SMALL BUSINESS OWNERS are the true answer, not slave traded laborers. The Tourism industry is devastated by the Public Media reports of crime, traffic congestion, and other negative FAKE NEWS. Roads, ports, telecommunications structures means sharing of resources. Estimate of 40 Million Philippine youth workers entering or in current job market in next few years.

Soriano runs a IT based recruitment company with 1 million Facebook followers. He speaks on a registration qualification based database to match demand with supply of engineers and workers. The true answer is EDUCATION. Asean is 50 years old now. I voice recorded my most powerful presentation at 11:15 am on my iPad and will publish this in almost REAL-TIME. I ask for everyone to MEET with FatherKeith.com and to GO PUBLIC on this 'another' historical day of purging our world of all crime networks.

Employment and training of qualified individuals is their key focus. They are assuming that the government is truly interested in work laborers to send overseas since their is little new business development here because of the mass poverty caused by localized and federated political corruption.

Political corruption world wide is the absolute #1 plague of current humanity that is criminally instituted by cybercrime terrorists who work in and outside each government and corporate agency. At 11:25 am, Mr. Nicon Fameronag with Lilac Center quotes the unemployment statistics in Philippines.

The decades long practices of relying ONLY on Agriculture export products and export of OFW Overseas Foreign Workers sent to OTHER countries is WHY the poverty will NEVER be solved because a select few of Criminal Ruling ELITE want our people to be impoverished and NOT educated to be self reliant

and self sufficient running their own peaceful self sufficient communities. When THIS occurs, very little government is needed at all. In fact, with SolutionGovernment.com NO leader can criminally profiteer and go unpunished including AFTER his service to their people.

Monday, April 3, 2017. Hebrews 4:1 speaks about a Sabbath Rest for the People of God. This is have truly NOT done as I work daily for GOD and all humanity, just like my GodFather Christ Jesus and all other fore-founders. On Sunday, Marites, Ezekiel, and I took the motorcycle to Holy Trinity Episcopal Church at 46-A McKinley Hill Rd to engage other expats and new Father Peter and Mary. iPad has the sermon and voice recordings. I took them to Market Market, then went to rare Arts in the Park in Makati, then Henry and I went to the Cesar Legaspi Laying in Wait art opening gala at the Cultural Center with his family Celisti, Ding, Henry and all others.

This morning I am backing up my MacBook with 119G of newer data since I have always provided these prime and backup plans to all of humanity for almost all my life. Exactly HOW has GOD been communicating to myself and therefore to you, MY PEOPLE. With the last frontier of digital technology, this has been through the use of electronic viral social media in some ways that are quite astonishingly true.

The Gonzales family can not afford to pay their 2000 peso past due internet bill so I am disconnected from my 7.49 billion people. Marites has disappeared again, probably gone to sign her OFW contract to flee and abandon our family because of YOU, my people. For you have all refused to do the most obvious. GO PUBLIC with all the life changing, world changing solutions I have finished in the name of my Father in Heaven for the reasons I have been broadcast publishing this entire time.

Saturday, April 1, 2017 A truly monumental historical day as I go on bus tour to Quezon City museums with more new found friends of UNlocracy.com AntiChrist Robert Dee Rose's birthday is today from 1971 year as I have archived him as the most criminal world demonic artifact in world history for reasons catalogued and cross referenced since Nov 4, 2007 initial business blackmail extortion crime scheme initiative by ROSE. I do not have my eyeglasses or iPad today, so I use the memory of my lifetime experiences to speak again to my world. Cramped in this bus as they squeeze passengers on like a can of sardines sans salt. I enjoy watching th Carola st go by ashd see Jesus on a huge billboard on Espana Blvd.

Friday, March 31, 2017. Session 1 on second day with Breakout session of The Language of Art. At Plotting Points. AudioRecord 8:45am. Social Viral Media is the prime video method to UNIFY our entire world. Read + ACT. Speaker is Ms.Yael Buencamino Ateneo Art Gallery de Manila University. AteneoArtGallery.org

The dialogue of communication is a prime key of how the mind works to identify and merge in communities with each other. For the last few decades, most public education systems have restricted and even abolished the basic creative art studies. Yet many students take university degrees in Liberal Arts. How profound and even criminally observant obscure. Few people actually spend the time to fully experience an art exhibit or museum collection of human history. www.WorldSchoolFund.com enables museums and artistic expression individuals and groups to flourish in the new world society of UNlocracy.com

Understanding art involves the immersion of form and function with meaning to the individual. Our speaker curator is showing basic local artwork that includes buildings structures. example: Leslie de Chaviz work of Anggulo 2016 at the Jose Rizal museum. The Language of Art should give background history and direct individual interpretation.

Even BING.com uses background photos of GODS art that surrounds us all. As the top spiritual advisor consultant for all world leaders, exactly WHY has no one in authority simply CONTACTED FatherKeith.com

These are all REAL-TIME reporting of YOUR world that teaches our entire culturally biased people how to actually LOVE and CARE for each other. As noted yesterday(Below), Philippines government is very hesitant to finance and support political based museums since the level of corruption is so easy to see, yet everyone hides from the most basic dialogue of how to actually UNIFY all mankind in record time.

Docent and Curators are those who have deep knowledge of a museum and are the tour guides to stimulate discussion and exploration. Exactly WHO is the keeper or custodian of your live, assets, and souls. Is

it YOU, or those who have enslaved you. For there are indeed few spiritual counselors such as Evangelist Billy Graham who speak the truth and tend to the most basic needs of world leaders, corporate executives, other religious top leaders, and what is left of humanity who actually FEARLESSLY PROTECT the RIGHTS of ALL OTHERS.

The basis of all communication is language through the different media exchanges of sight, hearing, touch, and experiential learning. Experiencing the WORK is her last two slides. Mediate the reception of Art. Olafur Eliasson is a artist who focuses his audiences experience of the work that is as uncluttered as possible. e. Photo is of The Weather Project 2003 Tate Modern, Turbine Hall. <http://www.olafureliasson.net/>

Session 2. Ethnographic Museums. Case study of Museo Kordilyera. Assoc Prof Dr, Analyn Salvador- Amores. Defined as: scientific description of peoples and cultures with their customs, habits, and mutual differences. Exhibits the tangible and intangible aspects of humanity. VoiceRecording captures her talk as she does a photo walk through of this Museo Kordilyera - UP Baguio Ethnographic Museum that opened Feb 17, 2017 in the western center area of Main Luzon Island of Philippines in the mountainous regions. How is Anthropological knowledge transited and transmitted? Clearly by invitation and education. The focus is on showing lifestyles and personal experiences. Travelers collecting historical real time information is exactly what I have been doing for now, actually ALL MY LIFE as field researcher of the cause and effects of our entire world conditions. Their next needed extension spaces are interactive and innovative displays. linking with other museums and participation in scholarly dialogues.

Session 3 Plotting Points Sustainable Conservation and Restoration of Heritage Structures. Ms. Tina Paterno. San Sebastian Basilica Conservation and Dev Foundation. SSBCDF. [https://en.wikipedia.org/wiki/San_Sebastian_Church_\(Manila\)](https://en.wikipedia.org/wiki/San_Sebastian_Church_(Manila)) in Quiapo Manila Philippines at Plaza del Carmen blocks from President Duterte Palace on the Pasig River. [facebook.com/SavesSBasilica](https://www.facebook.com/SavesSBasilica) @SaveSSBasilica (instagram) reConstructed of Belgium Steel in 1891 era. The original structure was started in 1621. The USA State Dept helps fund this icon. sansebastiancatholicchurch.com They use this historical heritage structure to host news media to cover the Black Nazarene famous annual religious festival. They engaged the Muslim neighborhood to be cooperative participants in these broadcast events. They create community hubs promoting diversity, cultural, and creative industries. These processes safeguard cultural heritage and responds to Social realities. She notes that tour buses do not come, YET.... Designated as National Cultural Treasure on Aug 15, 2011 (my birthday when I was 52 years old) recognized by Roman Catholic church as Feast of the Assumption (Virgin Mother Mary's recognized death and ascension to heaven).

I asked the most DIRECT key question on voice recording at 11:30am on iPad. How much money to complete restoration? She responds 500 Million PESOs. This is 10 Million USD at current exchange rate of 50Pesos per USD. One question from floor is asking to document the stain glass icons and structural architectural plans for use by other world churches. This is known as replication. At 11:40, Margo asks about funding from USA Ambassador Sung Kim (who I really need to meet VERY SOON. I tried 1 one ago twice at the USA Embassy and was turned away for reasons they will explain soon). I was just CROSS PROMOTED at 11:42 by the person behind me.

The NEXT question is about intervention of their multiple aspects of restoration. They even have OIL on metal artwork.

Session 4: Mr. Bryan Anthony C. Paraiso is Sr Historical Sites Dev Officer with National Historical commission of the Philippines (NHCP) TOPIC: Modernization Projects NHCP. They maintain 21 museums in the country. Mostly focused on the Philippine heroes that have changed history such as Jose Rizal. Their focus on modernization involves interactive exhibits, mobile exhibits, public programs, others. 4 aspects of Structural rehab, 2. exhibit artifact rehab. 3. Train of curators and staff 4. Marketing campaign.

The total budget from 2012 to 2016 is 500 Million Pesos = \$10 Million USD. Strategies. make accessible these artifacts to general public. Be community learning hub, provide pro historical researches and heritage experts, ample tour guiding services, provide online information. Museo Ng Pagulitis in Andres Bonifacio. Museo ni Emilio Aguinaldo Kawit Cavite. General Aguinaldo

THE IMPACT on VISITORS. Most visitor counts have doubled in volume. Quezon Museum is now 34,000 visitors per month.

Present concerns: Logistical constraints (BUDGET). Physical deterioration of structures. Level of staff knowledge. gaps in admin and content management. Marketing Plan.

Session 5 at 2 pm is **Online and Social Media with Mr. Dennis Lim from ABS-CBN.**

FatherKeith.com video records on his famous MacBook. Dennis works for Digital Media Services. He speaks about disruptive services. and digital use of technology to enhance life with relevant information. THIS IS what I am also world top expert based on WHAT I did starting 40 years ago, before Marites, my dear wife, was even born. Real Time VIDEO is the OCTV of eVOTE.ONE that empowers ALL humanity to control and manage ALL their leadership and decisions affecting their lives.

PUBLICITY is the prime key to overthrow all crime networks and forever restore FAMILY VALUES once the trillions of criminal assets are returned to YOU, my people. Digital Marketing is exactly what I have done for past 30 years, BEFORE it became the mainstream method of propaganda campaigns. This is WHY I will again, be very, very wealthy and use these funds to finance the rebuild of all world society in UNlcracy.com unified mankind once and forever. Does everyone KNOW and now understand the power behind these GOD centered ministries..

youtube.com/AdoberStudios Unspoken rules. BBK20170331PlottingPoints-OnlineMedia-DennisLim-ABSCBN series of raw video is on my macBook.

Session 6 is **Community Archiving Ms. Mona Jimenez.** Assoc Art professor and co-Assoc Director Moving Image archiving and preservation program New York University. She is with Lopez Museum now. I voice record at 2:55 pm. She has an unusual and outstanding credential list. she discussed CAW = Community Archiving Workshops. Catalyst for attention to endangered media and film. She hosts media archiving 6 hour events to help groups co-exist and understand the historical significance of artifacts and people.

Her discussion is exactly what eVOTE.ONE has accomplished with URLiDent.com just READ and WEEP, for the days of all criminals and networks were numbered years ago. At 3 pm, we pause for loudspeaker campus wide prayer here at St Tomas University that is the oldest college in all of Philippines established in 1611.

Mona speaks about cross reference indexing all the artifacts into one central database repository. This is URLiDent.com This is the final design for the Library of World Congress architected by BuiltByKeith.com

She shows QueensMemory.org and discusses the bringing together of new students of history to collaborate on helping each other remove (destroy) cultural barriers.

Overall, I am tired, bone dead tired after working for all of humanity and GOD, denied ALL my rights to put these world ONLY workable solutions into the hearts, minds, and souls of all of humanity.

Tuesday, March 28, 2017. H.E. Peter Szijjarto is the Minister of Foreign Affairs and Trade for Hungary at De La Salle University forum event at 3 pm. 200 students and few professors attend. Population of 10 million, he speaks on the Future of EU and the Role of Hungary. The banner at the front of floor 6 room shows St John Baptist DeLasalle with 'Faith Service Communion'. DISU.EDU.Ph 28 nations are part of EU. World War II decimated this entire region. He states the bad relationships between USA and Russian and also Europe. Mass illegal immigration is occurring worldwide.

1. USA The polls indicated Clinton would win. Peter is happy with Trump as positive impact on world. New foreign policy by USA takes AWAY the focus of pushing democracy on others. No one has any rights to impose culture and government methods on others. Keith: Indeed, the USA has been the most powerful bully in the world of politics and economics since WW2. The 2010 Hungarian change of government leaders has been instrumental in establishing new foreign policies that benefit their partners. Peter states that each world leader must look after welfare and security of their OWN country before creating world unification with other nations. KEITH: Politics is again the bane of terrorism as it opens all doors to massive deceptive practices by underground crime networks in conduction with many politicians.

2. Another strategy of adjusting internal economics such as cutting corporate income tax down to 9%. He feels TRUMP will be instrumental in stopping illegal immigration. Keith: This solved forever with URLiDent.com as NO BERLIN walls will ever be needed again. Most are either criminals or refugees from the war torn culture and economic wars. This stopped with eVOTE.ONE and other simple technology OCTV monitoring of all transit transactions.

3. Concerning Putin and Trump relationships. More pragmatic agreements must occur. Keith: Use of BidOnKeith.com implements all the minimized simple policies to ensure unification of all mankind. Every war between major powers had destroyed central Europe as the prime battlegrounds of predatory and prostituted greed by those clearly showcased by these BuiltByKeith.com solutions. He speaks about economic sanctions imposed to exert domination over others. Hungary lost 6.4 Billion USD in exports and trade because of the Russian sanctions as downstream direct effects.

UK is the #5 economy of Europe and #2 in Europe. the Federalist camp policy makers and the ?? other is causing much internal strife and dissension. If UK does not make deals with EU, Hungary suffers downstream in competitiveness growth. Peter proposes to keep the decision makers at COMMUNITY level, not at national legislative platform. illegal immigration remains a prime issue.

Hungary is working on Free Trade agreements with Philippines and other countries. Philippines does have some manufacturing but is mostly service oriented with OFW and Call centers and low labor cost administrative back office services.

#6 Our world must STOP LECTURING each other. #7 EU should return to 2013 policy of EuroAsian community trade relationships. #8 Respect by all nations of other country regulations and laws. #9. European security structures. NATO is stated by TRUMP as obsolete because it has NOT solved the terrorist threats to our world. The focus has been mostly on the ISLAMIC state. KEITH and TRUMP + many world leaders know and state THIS IS totally WRONG. This is SolutionIslam.com with ChristDomain.com to solve the cultural religious wars that have raged for multiple centuries.

Peter summaries. I ask him a key question. He answers MUTUAL RESPECT is his answer. He states that registering complaints on the table to resolve. All about Cooperation as I voice record on my iPad now.

The second 3:40 pm question is from university sophomore who is liberal arts. She asks about immigration. Again. URLiDent.com forever SOLVES this one world issue. Peter states that war refugees should be registered. If they cross multiple borders, when do they become immigrant workers known as migration. labor pricing and economic forces are a pure logistics issue of supply and demand. Many large corporations and even governments LOVE low (slave-trading) practices including WHY Philippines OFW marketplace is punishing its very own workers who go overseas. Ask my very own wife Marites MaryRights.com

The third question is about rogue nations. Peter hates national leaders like Korean dictator and policies including nuclear proliferation. This is solved with SolutionUNI.com SolutionMilitary.com per BidOnKeith.com and GlobalPeace.org as I wear their convention badge on my red shirt right now.

Trade issues should not endanger a region. When war raging policy makers are active, they must be neutralized by the own INTERNAL forces of eVOTE.ONE. (keith).

Henry asks about Trade sanctions similar to USA and CUBA. He asks about China and Philippines trade policies. Timestamp 3:50 pm recording. USA has NOT liked other countries to develop trade with CHINA in recent past. the Forum ends at 4 pm.

The USA Military was debriefed Sept 25, 2011 despite Keith being cyber tracked by ROSE as the evidence shows NO ARREST WARRANT was signed or dated on exactly Sept 26, 2011 at 9 am as Keith called back to OSI Christopher Weber at Langley Air Force Base. Subsequent multiple kidnappings and extreme threats to Keiths life resulted in all his world intellectual property and assets stolen by other criminals hired for murder by ROSE. TAKE ACTION by crowd funding BidOnKeith.com so he can finally go TO YOUR GREATEST PLACES of NEEDS.

Monday, March 27, 2017. Another historical final days as IT IS FINISHED. It always has been comprehensively complete for now +9 years of pure hell of YOUR reality. The most massive weight of the SINS of our world will be finally lifted off my shoulders when my people complete any of these world saving cascading solutions by GOING PUBLIC. I remain impoverished because of all the BLINDED FOOLS, including the ones I met today. Within moments, they start back on their cell phones and computers, shuffling papers, and looking like deer in the headlights of the most powerful freight train bearing down on their tracks of shame. For FAME is exactly what occurs for all my people who RISE UP to finally overthrow and banish all crime networks. This restores the resorts of Heaven back here on your planet Earth.

Concerning intervention by GOD, by Jesus, or by another previous angel of mercy, GREAT LUCK on that ever occurring for the reasons stated well over 5 years ago as I sat in HELL-JAIL as the #1 political prisoner of cybercrime warfare that NO one could ever formally charge with ANY CRIME, and DIDN'T. It was a setup kidnapping, murder for hire by ROSE and his network of demonic sociopaths that no one can find because they have hidden themselves behind massive pile of red tape conspiracies known as WHEELS of CONSPIRACY where no spoke knows the existence of the other criminals and NO victim truly knows how many other crimes against humanity exist and NO ONE KNOWS, FEWER CARE, and NO ONE knows how to logically and competently CHANGE the course of all human history.

I visited Cardinal Tagle office today, Philippine Chamber of Commerce, National Press Club, The president of NPC, went by Holy Trinity Episcopal church after having dinner with father Peter and Mary last night for 2 hours, and am now off to meet Henry at MegaMall for another final business strategy session on HOW to get Press and top level Religious leaders to GO WITH me to President Duterte once his offices contact me back. This will beyond SHOCK our world of misguided and uneducation sheepleets as that is what they are bleating. Save me, Save me, Save me. Good luck with that.....

Sunday, March 26, 2017 Now at Makati Hope Christian School waiting for invited trip to CaliRaya Resort with its business owner Christian Chinese tycoon Luke Roxas and Henry Estipona at 7 am. No one is here and Henry has not responded back by text message. Typical non communication of, by, and for my people. As the fore-founding father of your very own new world society UNlocracy.com, absolutely all objections, dismissals, and delays have always been fully addressed as few people actually show up on time with intentional plan of action to accomplish their tasks. That is all that was ever required of my people.

The criminal excuses I have been receiving often are 'Oh, these things just take time. OR We do not have the right people yet to make a decision. OR our leader is not available and no one knows when they will take a look at your world save/changing final plans of salvation.' This includes almost all church leaders, all government officials, all corporate officials, and mostly the general population of hobbled, brainwashed cult driven 7.48 billion people.

Since I have never been the cynic or hypocrite, racists, bigot, or actually EVER, EVER caused anyone civil or criminal harm, WHY has everyone denied themselves these pathways to total righteousness and freedom of information acts that totally redeem and sanctify our world with full scale accountability and visibility.

Since I have never truly been at any 'loss of words' as the unseen redeemer of humanity, why has no one actually DONE THEIR JOBS as required by man made laws, Constitutional mandated SolutionManifesto.com to obtain SolutionPeace.com ? WHY? I have repeated for specific # of years.

Has our entire world succumbed to the 'Criminal Ruling Elite' and are not fully engulfed in Sodom, Gomorrah, Jericho, and related viceful cities of sinful self entitlement greed? For the basic supply chain of economics requires a balance of producers and consumers. Once the criminals produce a world full of drug induced blinded and mute sheep fleets of consumer workers, they become the food supply producers and

even protein carcass source of food for the final MonkeyKings.INFO once martial law is declared and nations are systematically exterminated to complete the Final Apocalypse Holocaust of the demonic Satanic forces of ROSE, the unseen groups of Illuminati, the false flag propoganda mills of the news media bigots and racists, and others who focus on total domination over the human race.

If any of my 'flock' of 7.48 billion people can provide a more accurate verbal dialogue description of our world, I have always been readily open and available for world press conference discussions to hear YOUR PLANS of SALVATION. My-our very Savior Jesus Christ was denied all his rights also. Few except his mother and closest 'closet' friends objected to the crucifixion of the one person who had saved them from sin.

During the jesus-Festival.org rally and through almost all my direct interactions with very powerful people and ministers of the 'faith' for now decades, most turn away or are guarded by their people to prevent these world saving solutions from going mainstream to all humanity. That alone is the greatest crime against humanity of all.

These horrific and deadly series felony capital crimes actively committed by ROSE and his demonic cohort cabal league of career criminals at almost all levels of society have never been investigated by anyone who has authority to complete these missions of mercy and grace. I am so hungry right now as I have 3466 Pesos to my name.

Makati Hope Fellowship Church. MHF Family Camp is April 7-9, 2017 Caliraya Resort. Owner tycoon is Luke Roxas who is soon, one of our most famous benefactors as he benefits with his mega million enterprises of HKTv and other new construction of churches, condos, business parks. 2 Cor 9:7 Each man should give what he has decided in his heart to give, not reluctantly or under compulsion, for God loves a cheerful giver. Our TOP #1 WORLD priority has always been to UNIFY mankind. This only occurs when integrity driven people take action.

Pastor Jay Bansequallo? is the guest speaker who also is a radio broadcaster. Title: Are you really free? quote "if you are saying you are doing what you want and yet when challenged to stop you can not, you are enslaved. When you think you are free because you pursue what you want and yet it is to feed an insatiable appetite, then you are not". When I and others can NOT stop promoting GOD, CHRIST, and our Holy Spirit, then we are indeed ENSLAVED to CHRIST and not to the whims of mankind. This is total universal eternity freedom I have been showcasing to our entire world.

John 4:13-26 Jesus talks with Samaritan woman at the well. This is exactly what was quoted at Jesus-Festival.org (shown below). read verse 26. This is a breakthrough. Racial, social, religious barriers. Romans 8:14-17. He is asked to help exercise a demon from a possessed women by a friend. He speaks at length about the relationship of the woman with society and GOD. Another example of World Leader Alexander the Great was focused on Conquest. A heiress from century ago had \$2 million usd. She was all about protecting her inheritance. She begged on the street daily and died with the cash in her mattress.

The need.. body -Physical food, soul -intellect and emotions. spirit -word of GOD, Matthew 4:4-6 states 'Man shall not live on beard alone, but on every word that comes from the mouth of GOD'.

John 8:34-36. verse 37 '... yet you are looking for a way to kill me, because you have no room for my word.' 38 I am telling you what i have seen in the Father's presence, and you are doing what you have heard from our father'.

Meaning, Love and Belongings, Peace and JOY. he states the purpose of man is to FEAR GOD and to obey all commandments. Keith: He true fulfillment is NEVER to FEAR GOD when one walks in purpose in unity with GOD and Humanity, there is never a need for any FEAR.

He asks who needs PEACE in their life.

I send a txt msg to my wife Marites of: "If you want the new life I have shown you + world, maybe even a new baby, PAY ATTENTION!! As you act like a wet diaper hungry baby, my dear Marites..... or flee..

John 4:28-30 section about woman at the well. then John 4:39-42 as the other Samaritans believed in him because of the woman's testimony. This was the woman lobbyist in Washington D.C. who asked me if I was Jesus back in May 2017. Search BBK2014*.pdf file on IseelunderStand.com and all can see exactly WHO I AM and my response to our world.. I am NOT JESUS CHRIST. He is my GodFather. I am FatherKeith.com who has saved our world because NO ONE ELSE HAS EVER taught our entire world HOW TO UNIFY all mankind...

pastor Jay finishes with prayer. I voice record this also as I type what he is saying. he speaks about the Samaritan women as I close my eyes during this prayer yet continue touch typing to perfection. He invites those who want to accept Jesus into their lives as their personal Savior. I close out the voice recording at 11:40 am.

Saturday, March 25, 2017 Now at The Jesus-Festival.org event at SMX convention center at 9 am #JesusFestivalManila2017 and #CrossCulture.

Pastor Paul Chase starts the 9:45 am general session. Cross Culture is his sermon topic about what happened to Christ on the Cross. Speaking on grace and misunderstanding, Paul states few of us will ever see the actual reality of God. Dialects are an issue. This is the dialog of how humanity communicate with each other. Cultures are a overwhelming factor because differences are not only what make us unique, they also cause major world issues. Ephesians 3:18 Passion required for action. Culture is from the environment, not genetic in-born.

Paul speaks two men kissing on cheeks or hands, or touching in USA. Automatic GAY. Yet it happens in Philippines and other cultures because it is expected honor and respect for each other. Henry taps me on the arm all the time out of his excitement for what is about to happen.

When offered a drink or food, typical philippine response is NO, meaning YES out of respect. He tells about the practice of all children placing their elders hand on their forehead. I do this back to children to honor them. The always GRIN and smile regardless of age. This is NOT done by our elders or children. I do...

Honor and respect is part of GOD's culture. Jesus loved all who hated and despised him. For the simple reason that criminals and those of this mindset have really never experienced unconditional love.

Here, when people ask for directions, you will get a mouth expression and point at the location. They do not point with their hands. one last chicken leg requires everyone to agree WHO gets it.

IN USA, few know their second cousins. Here everyone knows ALL the relationships back for a century. Marites does this to me all the time. Culture is values and the benefits resulting from Action by fearlessly protecting the rights of all others (Keith's mission statement combined).

Your natural birth never defines the actual person. Culture and exposure and personal decisions of free will choice define and divine everything. (KEITH again). He speaks about adultery and the thoughts of lust. Galatians 'and the life which I now live in the flesh, I live by faith in the Son of God, who loved me and gave Himself for me. " when asked how to be successful, a person stated 'Be ready to DIE' this means to give up your misconceptions that this life is yours along for your very own self gratification and kingdom building. Keith: Criminals #1 fear is death because they can not use the crime assets they have brutally and viscosly taken from everyone they meet, stalk, and abuse as MonkeyKings.INFO.

The death of Crucification was painful. Pauls states Christs greatest pain was carrying the sins of the world on his shoulders and heart because few people actually CARED about anything but their own interests and wealth. Luke 7:12 is about a dead young man resurrected. "he said, Young Man, I say to you GET UP'.

Paul states those who have solutions will confront those in hopeless situations and get a blinded response from most BECAUSE of their brainwashed conditions of NO ONE can change despair or culture (Keith's interpretation). We carry a culture of live and death. Few know how to resurrect the dead of heart, soul, and minds. Fewer know how to educate others to actually LOVE and CARE for each other.

WHOM I carry is greater than my own efforts to carry just myself through life.

Keith: this entire time, no one has ever truly understood the most vicious persecution of myself that I have documented and shown the true cause and effects of human psychology. Pauls closes out now. I left my only eye glasses at home and asked Marites to COME to ME. She has refused to do anything in past few months as she has turned 100% internally.

After buying 91p eyeglasses and meeting MORE people inviting them to have relationship with CHRIST, GOD, throughout our world (in a different visionary way) Chad Mansfield is the 1:30 pm pastor teaching about multidimensional GOD. He speaks about UNITY in the KINGDOM which is different from conformity. I voice record about his TRUTH that is timeless.

UNITY is about 'Speaking Life to fractured families' is his topic focus. Practical applications of common sense. 2,000 years ago, Timothy is instructed by Saul/Paul to publicly read the scripture to his Israel people. Ephesians 2:1. "As for you, you were dead in your transgressions and sins..." the world can read the rest. 8 "For it is by grace you have been saved, through faith - and this is not from ourselves, it is the gift of GOD, not by works, so that no one can boast. " ... 14 "For he himself is our peace,..who has made the two groups one

and has destroyed the wall of hostility. ‘ KEITH: This is URLiDent.com and eVOTE.one current reality extension of ERA3 of UNlocracy.com

Chad speaks about fractured families fighting each other and uses story of Joseph being sold off by his brothers (slave trading) in Egypt. in the Old testament, story after tragic stories about warfare over dominance by the strongest and smartest. King David came from a fractured family neglected by his own father and older brothers. King Saul also turns against David as well as Sauls son Jonathan. King Davids sons Absolum.

Ezekiel 37 5-23 ... I will make them one nation in the land, and they will never again be two nations or be divided into two kingdoms’. keith: This is NewZion2.com lk and URLiDent.com

Jeremiah 29, 30, 31 (age of Jesus also) speaks about joining nations together in a new covenant. Chapter 33 is promise of Restoration. session ends.

All men session starts at 3:30 pm with TheFort new Senior Pastor Dela with estimated 555 men. Opening with ‘I am NOT ashamed of the Gospel’. His topic is UNITY. note: a t-shirt Christian.com.ph He states we carry our crosses, but often can not choose WHICH cross. Christ carried his own cross to his **vindictively persecuted** death. The google phrase ‘the third culture’. This is a generation parent group moving to new culture who have children at 3rd level. How do we bring the ‘Cross Culture’ to our current reality world. We have Saul/Paul, a Jew who grew up in Greek culture and is a Roman soldier. The Jews of his day were all focused on acquiring knowledge. The Romans were focused on GLORY. 1 cor 18? “in the face of Jesus Christ’. We find unity in GOD himself. KEITH: This is SolutionGod.com SolutionPeace.com IFJC2.com NewZion2.com and other ordained/divined scriptures.

Next is New Life Church Malaysia Pastor Isiac Albert. He is Indian, his wife Chinese. His children are ChinIndians. His family culture is the word of GOD. When they do argue, they agree to be decide based on GOD’s word. He states our life purpose is always intertwined with GOD’s directives and order of life. God created us to be unique and fulfilled unto ourselves. Isaiah 46:10-11 “I make known the end from the beginning.....” He likes to collect notes from his seminars and puts them on the notes. He hopes our notes are written on our hearts. KEITH: This is why I blog broadcast absolutely everything of importance for the legacy building of all others as the modeling of increasing IQ and integrity for the most obvious reasons of all.

The speaker Pastor is 50 years old this year. Bday 1967. NIKE ‘Just do it’ slogan. Ephesians 4:11 “So Christ himself gave the apostles, the prophets.

The next speaker is David, Norway origin. His new family moved to Hong Kong, New Life church. He speaks on his background and cultural shock caused by other regional expectations. Voice recorded.

The panel now speaks. Brad Mansfield speaks about Proverbs 31 chapters. The last chapter is written by King Lemuels wife. It speaks about drunkards and womanizers. She counsels her son on how to find the best woman/wife as a partner. Brad speaks on how to uphold and be strong husband. Book of Ruth. Keith: I have a unique issue with my very own wife. Ask her WHY I speak the truth about our very unusual situations based on her original culture and the extreme vindictive persecution that has occurred to myself.

Paul speaks that men want a cheerleader who supports them and upholds the common values of GOD. Malachi 3. also read chapter 1. Pastor Rufus speaks about a strong woman wants a strong man who honors GOD. He states a woman does not want a man who uses anger to manipulate his wife. He believes male/female are intrinsically the same, forensically different. Men to protect their wives. he states to NOT let your wife TAME you by being passive. She will no longer respect her husband.

Next panel question is how a pastor can balance work versus family. Voice recorded messages from the panel discuss family activities and the man side of families. I listen and do not type...

The next question is what about a wife who mismanages the family money. My wife is ok, but has recently mishandled the resources we have left without any discussion with me. This has caused HER extreme discomfort because of the reasons behind WHY we do not have any reserve funds left at all. Her last few responses have been summarized as ‘I DO NO CARE’. Jocel states that men want to END argument discussions, women want to EXTEND. He states he tells her, “why are we fighting, we are a team. We have different prospective, why can we NOT sit down and work together as a TEAM’ This is what I have done since the day we met Jun 27, 2015. My wife Marites has NEVER gone hungry, missed a meal, been homeless, abused (except by her boyfriend per her son birth and abandoned by her father), never been denied basic purchase of almost anything. Ask her as I have been asking so many to CALL her to find out her needs.

The panel suggests WORKING on management that benefits both spouses. End of men’s session. The 6:30 to 10 pm session on my iPad. The love offering goes to all the speakers tonight. I would have been one of these if anyone had actually done the duty to God and Country years ago. Still, too many blinded fools in conduction conjunction with those who simple DO NOT CARE. As I have about 3500 Pesos left to my

name and no relief in immediate sight after fighting the worse criminal AntiChrist cabal league tied to ROBERT DEE ROSE, who remains at large despite 100% confirmed evidence that always has shown he is the worlds most dangerous man.

Timothy is about 65 year old missionary in western Northern Luzon who has not returned to see his family in USA for now 3 years. They show pre-advertise for 2018 Jesus-Festival.org set for March 22-23. Pastor Marcel Gaasenveek was the ?amsterdam speaker. Mylene Batisitca is pastor wife with Jocel.,

Friday, March 24, 2017 Now at The Jesus-Festival.org event at SMX convention center at 1 pm #JesusFestivalManila2017 and #CrossCulture. This is right after I directly went to President Duterte palace from the bus station on my last remaining vehicle as I first spoke with their Pres Action Center the second time then delivering fresh printout request directly Pres Dutertes appointment and records dept inside the palace grounds as I am carrying my precious HP Mobile 100 printer with fresh ink.

The staff get me in for free on my Press Pass, evangelist business card, and because I AM a top level world class evangelist of all time. I am not the one every being grandiose or grandstanding. ONCE the public is outraged, then motivated, YOUR entire world changes for the multitude of reasons I have demonstrated for past 10 years, actually my entire life. The usher staff first seat me way up front in the media section. Then a pastor ?? asks me to move to the back as they are short on dignitary seats. This does not bother me as I have been back seated as the LEAST OF THESE for most of my life, as Jesus even stated the same at the Last Supper when his disciples were complaining about who sat at the head of the table and near Christ.

I even had a few lmsg Text exchanges with Pastor Paul Chase I can share with everyone. He had a hint of cynic in his response that he-THEY are perfectly fine with their own focus . He just walked by me. The crowd of about 2,000 are standing doing the intiial series of motivational hymns and singing that is mainstream of contemporary churches now.

Some of theFort New Life people out front and the aisle recognize and greet me as I have been a almost constant visitor and biblical broadcaster for now 7 years with 1.5 years focused here in Manila and Cagayan Valley.

My soul remains deeply disturbed and troubled about all my 7.48 billion people and WHY so few actually LOVE and CARE for each other. This is the absolute foundational centerstone of all of humanity for it's abilities to prosper and thrive by working in cooperative ministries. The VICTORY mega church is hosting disciple workshops of 12,000 in the SMX arena and other worship centers this evening.

I am actually quite tired exhausted as my-our 7 year old son Exekiel sat on my lap on the Florida bus for 12 hours last night since I can not easily afford a mere \$20 USD bus seat for him = 900 Pesos.

When I counted my cash at Dutertes palace at 10 am, I had exactly 6665 Pesos left = about \$133 USD. When this is gone very quickly NO reserves are left. This extreme impoverishment has 100% been caused by the demonic criminal networks that have enslaved my-our people.

The music ends at 1:45 with general introductions. I have the CROSS FIT wristband is for the Pastor and Leaders breakout session streams.

At 3 pm we are in Pastor and leader session with NewLife.com.ph Pastor Paul Chase. I only have 50% power on my macBook, no consequence to any of you of course. Paul starts with It Is Finished. Rather than GOD stating his people ' Well YOU are DONE'. Paul is focused on prayer and envisioning GOD in our daily lives. I am curious if he will be cynic or heartfelt. He speaks about being teachable. having a heart for God is motivation for those who actually CARE for each other. He expresses both.

His friend Pastor Rob Rufus is used as an example of age of wisdom. He speaks about age hardening the ability to learn. Keith: This I detected in his recent txt message as I did not even take a few minutes to actually CALL ME to hear my message. He now speaks about teamwork and one must be open and flexible. He states that Jesus only did those actions as he believed GOD directed him. Speaking on our talents and gifts, we should be disciplined to John 10:21-31. Without discipline, nothing really happens. BEING always precedes DOING.

When living within the word, action is focused on results that matter to others in positive ways. Few actions occur without Discipline. Keith: can anyone in the world OBJECT to the 100% focus and dedication to reform and unify our entire world. Acts 6:1 'when disciples #s were growing, ... widows were being neglected in the daily distribution. 1 Tim 4:? give yourself to the right reasons of each season' One page handwritten since my PC battery continues to sink low because the recent 30,000Peso = \$600 USD repair was not properly done with a 2012 replacement motherboard. Another massive expense that I can not afford to do OR not to do. Noone still cares...

4:30pm session with Rob Rufus speaks about corruption of scripture. Radical deconstructionism. This is the debates raging about if God is always peaceful, loving, and caring or if He can be wrathful with destruction of mankind. I believe he is the Hong Kong based pastor. 1500 era reform Martin Luther efforts resulted in thousands of deaths despite being 'dead on' concerning the corruption of the Roman Catholic Church. Dogmatism as he speaks about major and even brutally realistic changes to society caused by churches and religions. Winds of false and deceptive doctrine continues to cause major upheavals. Some pastors invent novel interpretations of doctrine scripture and teachings for entertainment purposes.

#3 we can be vulnerable to difficulties and delays. Rob speaks about perverted messages. His example is the mockery of Moses by his own Jewish people and the Egyptian Pharaoh. My PC at 4%, time to sleep it again.

Friday March 25, 2017 was spent early am marketing shop with my very last \$4 USD to my name, interviews with IGUIG mayors office about cross training their city, interviewed 5th grader class with teachers and the principal at Iguig Elementary school, then packed with ezekiel after we sold our 15,000 Peso new ref rig for 9000P so we could go BACK to Manila to set up last testimony appointments with President Duterte. Left TUG at 6 pm, arrived 7 am Manila. very tired but kept moving in God's name.

Since I am down to near ZERO for the last time, I have been deciding for months now about selling off MY VERY Last worldly possession, the world famous 1930 Model A Ford I drove to history to Wash the Sin out of Washington and relied on it from March to Nov 2014. At least the contents of the #1 crime evidence has finally been secured off site. Again. NO ONE CARES the priceless value of anything I have gifted to humanity. The same really occurred with Jesus Christ per the testimony of so many others. They are speaking about a game of "it is Finished".

Wednesday, March 22, 2017 Back at same Region 2 Cagayan Board member meeting at 11 am as they started 1 hour late, as usual. They are discussing funding for 'No Barangay left behind'. This is Local Development Investment Plan CY 2017-2022 and CY 2017 Annual Investment Program of the Province of Cagayan. This is their generic name for each village. Each of these Board Members have been directly approached including ViceGov Boy Melvin Vargas Jr. All but two BM's are present including Perla Tumulian. Maria Pascual speaks about last minute meeting changes and announcements that causes extreme scheduling issues to rush to called meetings. Normally I would voice record these sessions to share with the world. That is part of OCTV as even few people watch the RBC Channel 9 re-broadcast on their cable TV network. This is eVOTE.one modeled to PREVENT all these political crimes of mismanagement and corruption from being conducted anywhere in our world.

Watch and TAKE ACTION by going VIRAL to world on the <https://youtu.be/MqeGm798lcg> March 22, 2017 GO PUBLIC with this #1 Video. Title: Kill all Corruption networks forever SolutionGovernment eVote.ONE BuiltByKeith GO VIRAL re documented below.

CY2017 Executive budget that I am scanning shows General budget of 2.258 Billion pesos = \$45 Million USD for this entire huge Region 2. The governors own Public Relations person Rogie Sending never is present at this critical meetings. A few of their staff attend as THEY see me at least once a week in their office asking for interviews and sharing with them HOW to destroy all corruption, rebuild their entire economy and restore GlobalPeace.org here BEFORE any other world country of pure greed and tragic cybercrime terrorism that is the #1 world plague since 1958 era when Russian Sputnik was launched and I was born 1958-Aug-15.

The budget finance experts are now at the front presentation desk presenting the approved CY 2017 budget. They speak in abbreviated code words just like everyone else who understands the language of business. Same as FBI director James Comey repeated at USA House Investigative Hearings when he repeated 'SAME ANSWER' of he could not comment on ongoing criminal investigations and WHO was involved in the worst terrorist

threats against international security. WHY? the excuse they use is they do not want to inform the terrorists and criminals that they are being investigated for fear it will 'tip' them off. Same when any of the FBI AG or any law enforcement agency is called by KEITH or anyone else. They seldom ask ANY QUESTIONS at all (listen to the voice recordings), never promise anything including any callback or follow-up and HANG UP if one uses ANY single word they find objectionable like TERRORIST, Sally Yates, Corruption, Internal Affairs, etc. These gatekeepers are committing heinous crimes because they NEVER identify WHO they are and the status or progress of ANY criminal investigation. The same is 100% on the famous IRSWhistleBlower Feb 2009, 658 worth more than \$8 Million USD in rewards since I went through Vivian Hoard law firm in Atlanta GA in fall 2008 and actually met IRS agents 3 times for debriefing interviews and hand-over of those CD-ROMS and ROSE criminal evidence that I still have retained and shown to world on DROPOBOX.com

The Region 2 Finance group discuss the breakdown of the budget. They discuss the REVENUE GENERATION PROGRAM. This is TAXES. USA typical business owner pays well over 60 to 70% of their hard earned profits in the most hideous taxation program when one adds up ALL the taxes extracted by any and all means. Criminals never pay taxes on their criminally acquired assets of collective quad-Trillions. If they did, they would be arrested for their crimes. ROSE conducts the most incredible crime network because he constantly moves assets between his RICO shell-shelf companies to avoid detection by anyone. AND he has already infiltrated almost all government agencies with AgileLaw.com and his other networked crime enterprises since way back prior to 1997 timeframe with Time Saver Services INC.

These are ALL the reasons that our entire world will be beyond OUTRAGED that no honest enforcement of existing laws is occurring for any of the reasons I have already published for past 9 biblical demonic crime spree years.

At 1 pm they continue the discussion about the 500,000 pesos per barangay-village to be used for economic rebuild of each area. They are 100% concerned about no accountability on how each captain will use these recovery funds. This SOLVED with SolutionHousing.com and WorldSchoolFund.com as the direct funding by sponsors-donors-NGOs and others is for DIRECT purchase and delivery to oversee 100% use by those of the greatest needs.

The true quad trillions of direct funding shall come from the seizure of all criminal wealth for if an individual can not show the source of their income and wealth to the public, they clearly are a criminal hiding in plain sight. Evidence shows ROSE disappeared from all public databases years ago as NO one can digitally find him as even WHOIS.com shows his crime spree history on the exact registration dates of his super crime enterprises.

I have shown this in realtime since Jan 15, 2008 when ROSE threatened my life as I drove him to Atl Hartsfield and showed him his very own Accounts Payable and Receivable printout PDFs and he went LIVID that I had his criminal general ledger HWIgl.pdf showing his Solomon Accounting system crime double booking system evidence of massive money laundering resulting from his decades of super crime terrorism. This was sent to IRS and to our world on specific dates to targeted persons of authority.

I even personally debriefed and went to Commlec Exec Director Jose M. Tolentina at IntraMuras Manila on Feb 1, 2017 with Henry. Email oed@comelec.gov.ph and personally showed three divisions how to PREVENT all election fraud forever that effectively eliminates their huge anti-fraud prevention system that clearly is infiltrated on regular basis.

At 1:10 pm, Board Members continue to discuss the 500,000 Peso issue as even Hon Malia Ting Que just spoke with me to explain the same obvious graft issue of no accountability for fund distributions.

Adjoined at 1:25 for lunch with them as I am always invited to sit with them to discuss life. I gift Hon Malia Ting, Boy Vargas, Perla Tumalian, and all others these #1 world solutions. I go BACK to Gov Mambas office as well as VP Boy Vargas, the Empowerment of People group, the Gov PR group, then to Dr. Guzman, then to TUG mayors office and City planning,

At 3:30 pm, I now sit in City Council meeting with Vice Mayor Jude Bayona as BenBen Guzman is the new replacement mayor after Omnibudsman booted Jeff Soriano out of office 5 weeks ago for the third time for corruption. Hon Winnoco Abraham, and 6 other councilpersons are interrogating mostly in Tagalog. They discuss SP fraud theft-embezzlement of 1.5 Million Pesos from the General Hospital fund. What I find criminally ironic this entire time, is WHY NO ONE can adequately track tax and other fundings from source to final destination. With URLiDent.com every single major transaction is authenticated by a persons International ID + real time phone/video and stored in the #1 public database URLiDent.com Open as READ ONLY to the public with very limited security filtering, anyone can see the FLOW of any business or contract transaction from start to finish.

This Council room is packed full, mostly women, probably their staff members or concerned women. I take BBK20170322-OCTV-TugEmBezzlementClip.mov and photo at 3:30 pm. showing how OCTV will be the #1 and ONLY world standard for world to cable TV channel select any proceeding (civil, criminal, Exec Board Room, legislative, day care, hospital, bank, or any other publicly accessible transaction occurrence). With eVOTE.ONE, anyone has legal right to electronically vote 1. Pass bill 2. Need more info 3. Fail, or 1. Guilty, 2. Need more information 3. Innocent let them GO. All by majority vote in real time base on consensus OF, FOR, and BY all people.

This has NEVER been done before. if it HAD, our world would already be standardized and unified with UNITYurl.com modeling methodology that is at the heart, soul, and mind of humanity to come into joint agreement on any major issue or decision.

The councilpersons are questioning the financial and hospital staff about who was responsible for the transfer of these missing funds.

I go back to the fundamental issue of WHY no one seldom if ever does any follow-up. The answer cause and effect is actually simple. Most people just do NOT CARE. They get paid for doing as little as possible and are brain washed trained to NEVER identify corruption as it affects their management and own paychecks. As far as WHY GOD has not intervened in decades despite billions of prayers, the answer is also simplistic. WHY would HE? after all the rape, pillage, plunder, and crimes against his very own humanity. It is up to US, to empower each other using what has been gifted to humanity this entire time. That is HOW to fearlessly protect the rights of all others... The pyramids of monkeyKings.INFO massive corruption and oligarchy come crashing down into the pits of hell once all humanity is empowered to control and manage all their leadership and decision making.

This is UNlocracy.com that is 100% merit based common sense and profitability, not criminal profiteering. YES, it is 100% true, almost everyone uses any single word excuse to NOT do their jobs to serve others. They serve themselves first, middle, and last.

The discussion becomes heated over who signed what forms.

What I observe to our world is the tremendous waste of time and resources to occupy so many peoples time. No one is taking notes or doing anything but listening like blinded sheep. For they are the ultimate consumers of your tax dollars, wasting multiplied thousands of man-hours doing NOTHING constructive while on payroll and benefits. This is another criminal circus that will be abolished with eVote.ONE as only the key persons need to ever attend any meeting in person. These are also the brainwashed masses who sit in front of the BOOB TUBE TV mindlessly watching soap operas, drama shows, movies, and the mindless chatter of the network FAKE NEWS. There are FEW true PRODUCERS, INVENTORS, ENTREPRENURS left who actually actively contribute to the gross national product of their respective communities. BBK20170322-OCTV-TugEmBezzlementClip.mov shows the heated discussions.

I leave now. A waste of my time as I go to the NEXT place of MY free will choice to continue building my crusade army of 100% ethical based integrity driven persons of honor.

So **NO 922(g)8 VIOLATION COULD EVER** have occurred when I debriefed US MILITARY SEPT 25, 2011 at Langley AFB west gate Sunday Evening.

I was kidnapped Oct 3, 2011 from CEOSpace.net 10 am as NO arrest warrant was every signed and dated but it WAS issued Sept 26, 2011 at 9 am as I called and waited for OSI Capt Christopher Weber to call back and personally escort me to Intelligence DIVISIONS, then to NSA, then to Washington DC for them to DEMAND FBI-AG seize ROSE and his Atlanta and Bahamas based super criminal network of terrorists.

World Press Release, Press Conferences, and Reform-Unification of all humanity is here.

BuiltByKeith.com has published the most incriminating evidence of all time and the solutions to prevent almost all crimes and corruption in the first place. This is another Last Testament Testimony showing the actual reality of todays world paired with the answers that humanity must use to prevent the self-genocide holy cost ' Holocaust ' of World War Three that secretly started back in 1958 era. **Read to end and ACT.**

GO PUBLIC as I have done to fearlessly protect the rights of all others.

I have already enlisted our entire world to GO PUBLIC to overthrow all crime enterprises for now +10 years, actually my entire life. These are the legacies I have left for all to USE with ACTS of WISDOM to actually LOVE and CARE for each other. Trillions of \$\$\$/Euro/etc have been criminally transferred to the Ruling Elite through taxes, cyber crime, graft, secret agreements, and terrorism conducted by easy to identify politicians, underground crime kings such as Robert Dee Rose, and specific others by their own signatures and testimony evidence that is clear to publicly view on URLiDent.com single database.

UNIFICATION of ALL of MANKIND occurs when humanity RISES up and overthrows ALL unrepentant criminals once and forever. This is **UNloocracy.com** summarized for now well over 9 biblical years of pure HELL suffered by FatherKeith and all his followers and fellow 7.46 billion people. No one has ever had any rights to DENY your rights and persecute you with your own taxpayer funded criminally illegal systems of corporations and governments based on the terrorists and criminals who are embedded so deeply inside these service centered institutes. For the worst crimes against humanity are those who are on crime sprees using your trillions of \$\$\$ assets to enslave you, my people.

I have acknowledged to world for years, actually decades, the true nature of their very own humanity. Few can understand the horrific tragedies that occur worldwide, must less the solutions to prevent these atrocities in the first place. These solutions will indeed be controversial for the simple fact they cover the broad range of human psychology of the true cause and effects of why GOD created our society. GO PUBLIC and TAKE ACTION has always been the only solution to change the course of your very own human destiny.

Today is Sunday, March 19, 2017 as **FatherKeith.com** Duncan's ministries to world were actually completed YEARS ago. Today Ezekiel and I are at the United Methodist Church Linao North in Tuguegareo City with Pastor Abraham, lady Corey next to me, and Pastor lady Marvic? I met at least one year ago.

The message and scripture readings at 10:45 am are in Tagalog as Ezekiel is using my iPad to keep himself since his attention span is the size of gnat, just like almost the rest of the rat race of humanity.

Mensahe Na Inango is on the LCD projector. The Kind and Generous care of Jesus Christ for us. The Scripture manifesto above of 4 simple by-pass laws totally transform and unify our entire world, one relationship at a time. Starting with destroying the political criminal networks, this causes all criminals to cringe in absolute horror that they have no one they can pay off or influence to continue their massive crime sprees against humanity.

She is speaking now in English about the absolute value of water that occupies 75% of our body. I have **ChristDomain.com** website open on my MacBook Air that has been my broadcast platform since 2010 that was criminally stolen by ROSE and others to PREVENT these total Acts of Wisdom from becoming mainstream reality of all mankind.

She is speaking on Cross Bridging. I would be voice recording this sermon except my repaired MacBook built-in camera and microphone do not work anymore. I have to use my 1080p LogicTech C920 webcam instead. She speaks about bridging the cultural and religious gaps between the Jews, Gentiles, and other religions including the agnostics and atheists. This is part of **IFJC2.com** and **NewZion2.com** world saving ministries. Christ connected with women because he recognized they were oppressed by the cruel men of his day. She speaks with passion. She is estimated 33 years old. We have a few birds flying through their repaired roof sanctuary as birds of the same feather do love to FLOCK together..

This is post Typhoon Lawin damage that ravaged the bamboo huts, schools, public buildings, and almost all homes Oct 19, 2016 that remain in horrible condition because no one in other countries has done ANYTHING to GO PUBLIC with what I have personally taught our entire world almost my entire humble life.

Jesus was able to find meaningful connections with everyone he met. She states hopefully the church can do the same. How can we make the required relationship re-management bridges between our people? Keith: This is easy with **SolutionFinal.com** 5 steps to solve any issue that are almost always relationship conflicts of greed, power, and struggles for domination over others. She speaks about Jesus observing and intervening with those he met to teach them how to solve their own daily issues. This has always been the #1 talented skill of anyone in our world. Christ did not pass judgment on most. He DID on those who broke Gods basic commandments as he could easily see the hearts of those he observed.

Christ redeemed the souls of others by his modeling of HOW to TREAT, LOVE and ACCEPT others.

At 11:15 the sermon concludes with Pastoral prayer. She returns to speak about the Love Offering and commitment to serving GOD to 'TRUST and OBEY'. This is one of my original favorite praise songs from my childhood at Wesley Memorial United Methodist Church, High Point, NC 27262 USA.

I give a few coins to Ezekiel to put in the box since I was impoverished to the extreme + 5 years ago by the worst crime network Atlanta GA USA led by Robert Dee Rose, dob 1971-April-01 with \$2 million USD bounty reward on his head. That would have motivated our entire world years ago to **ManHuntRose.com**

I even wear my **SaviorKeith.com** metal
